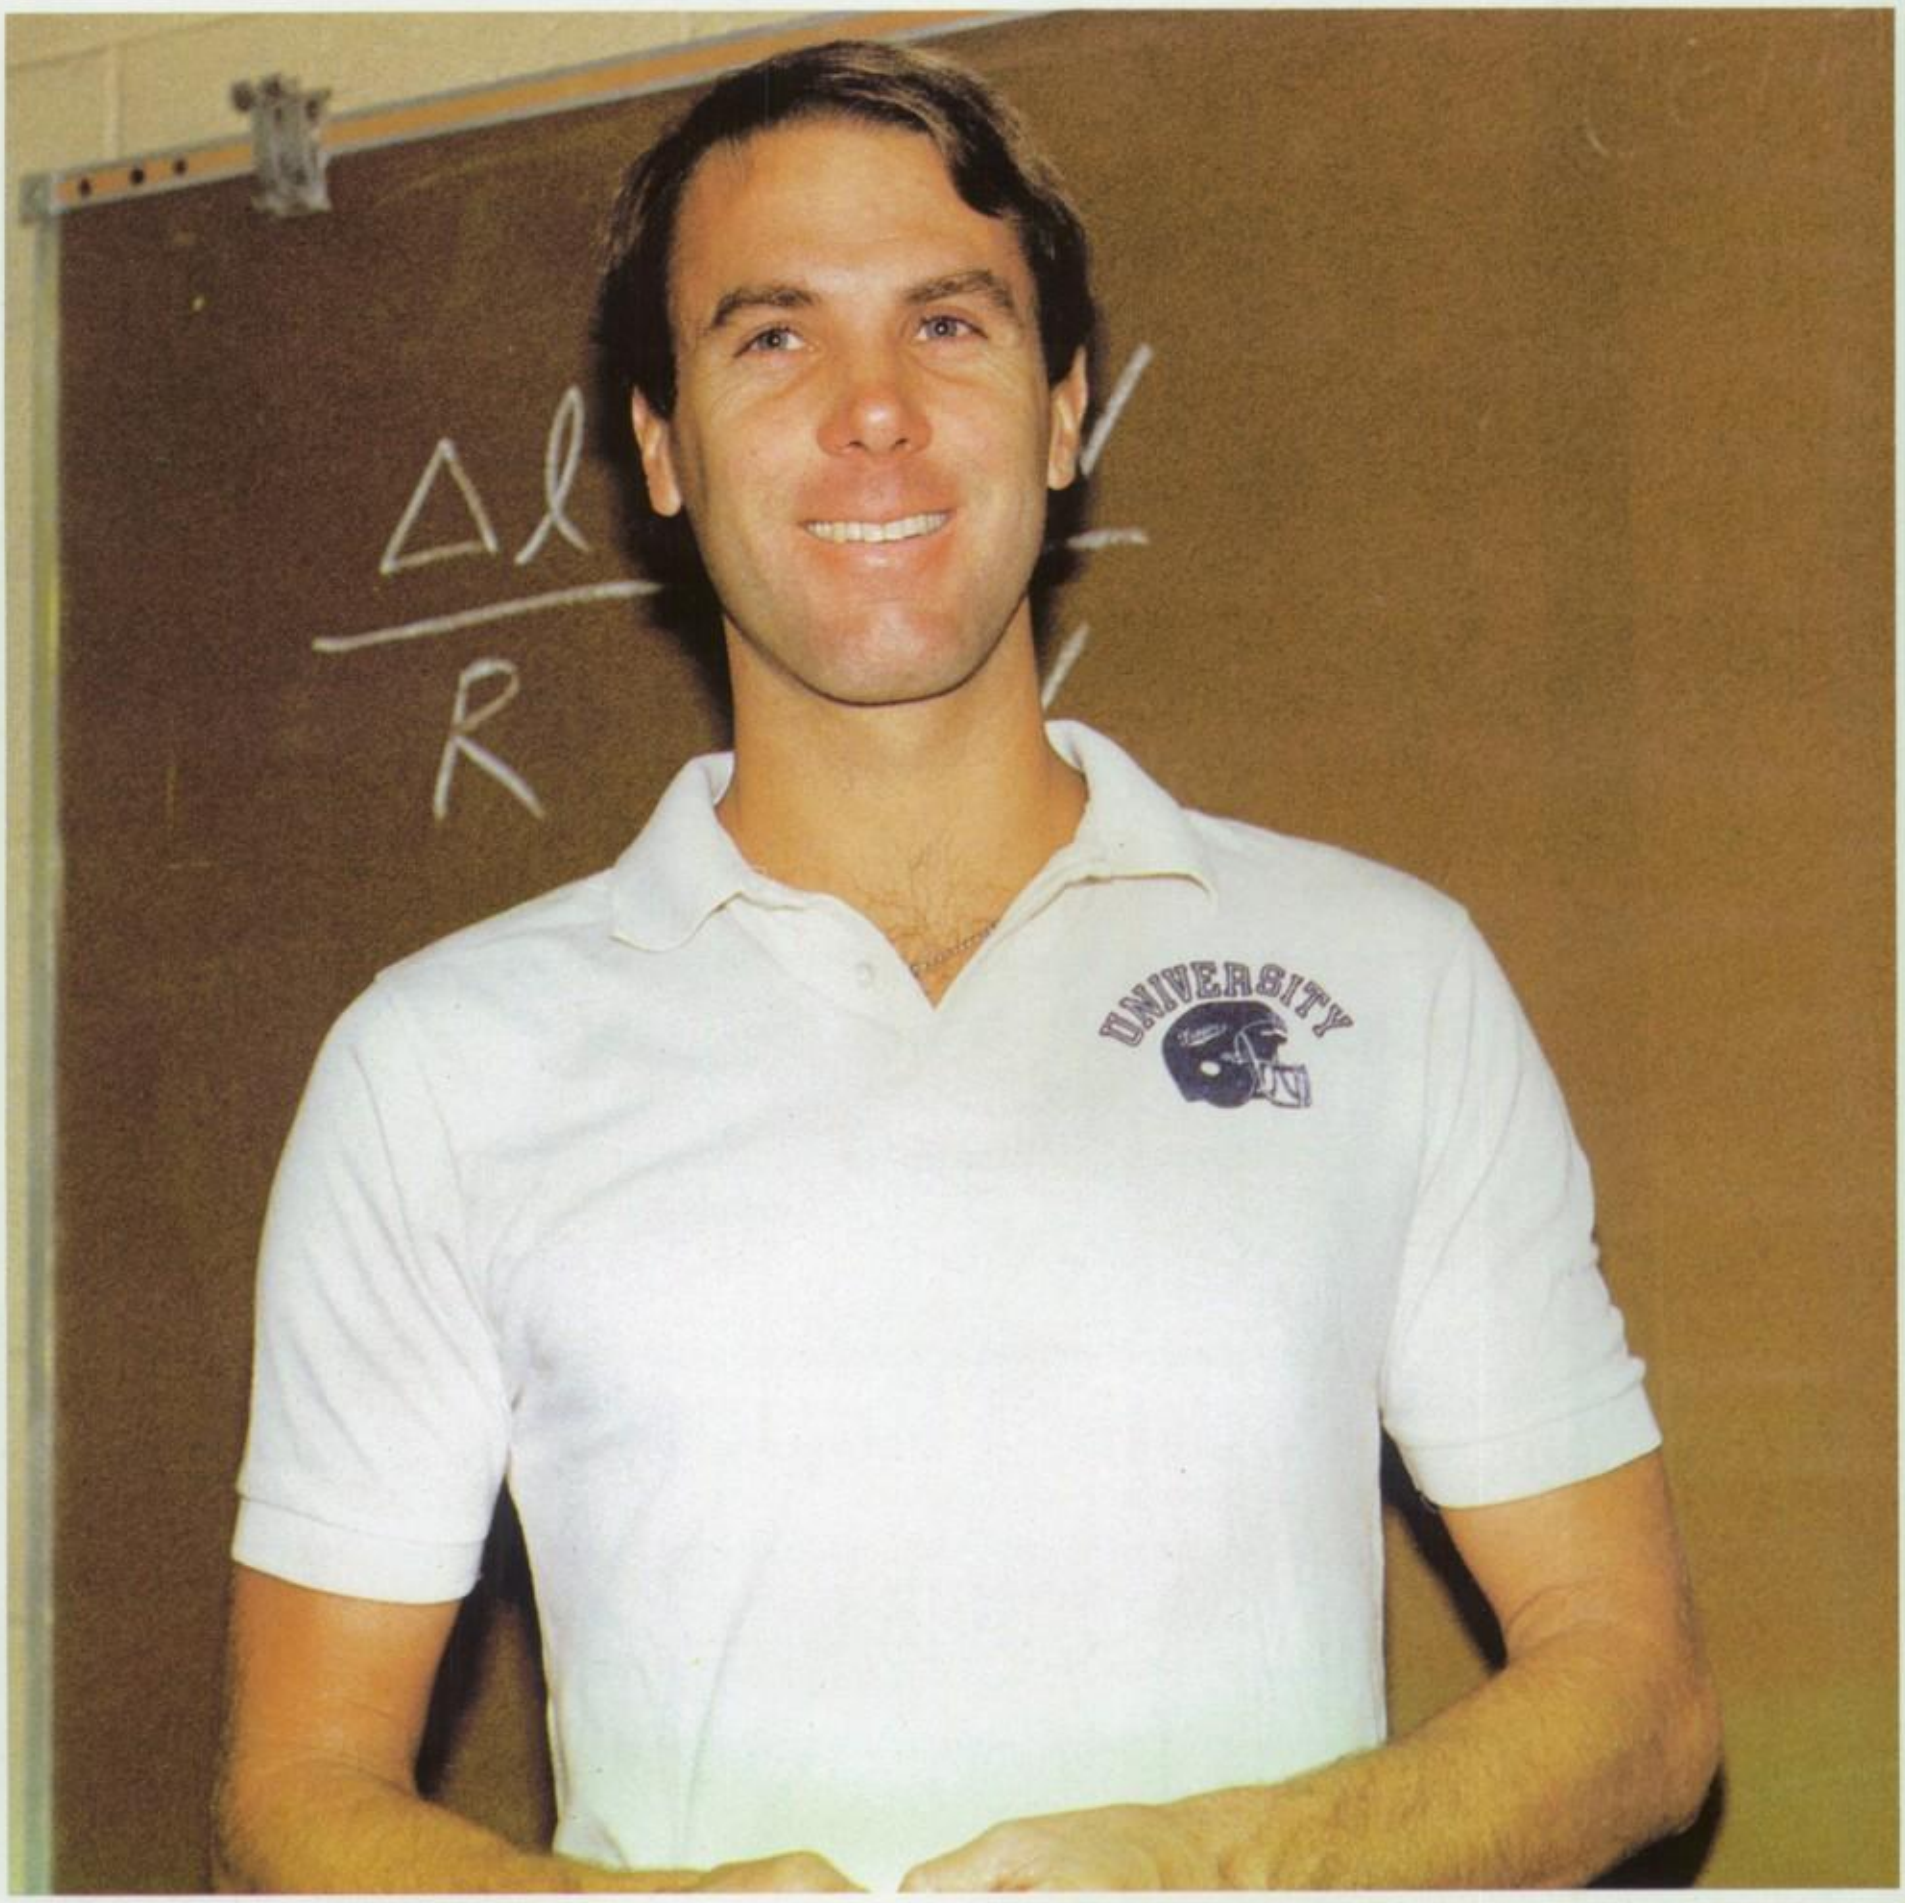
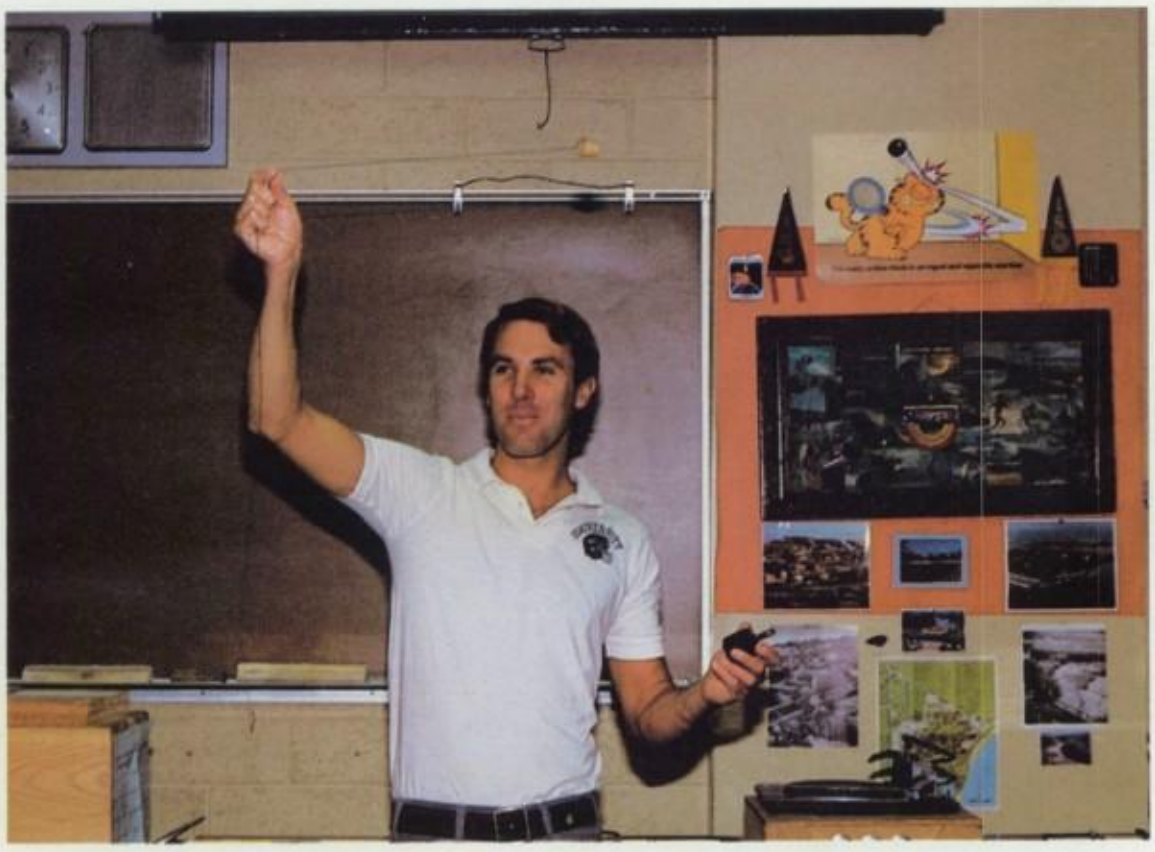
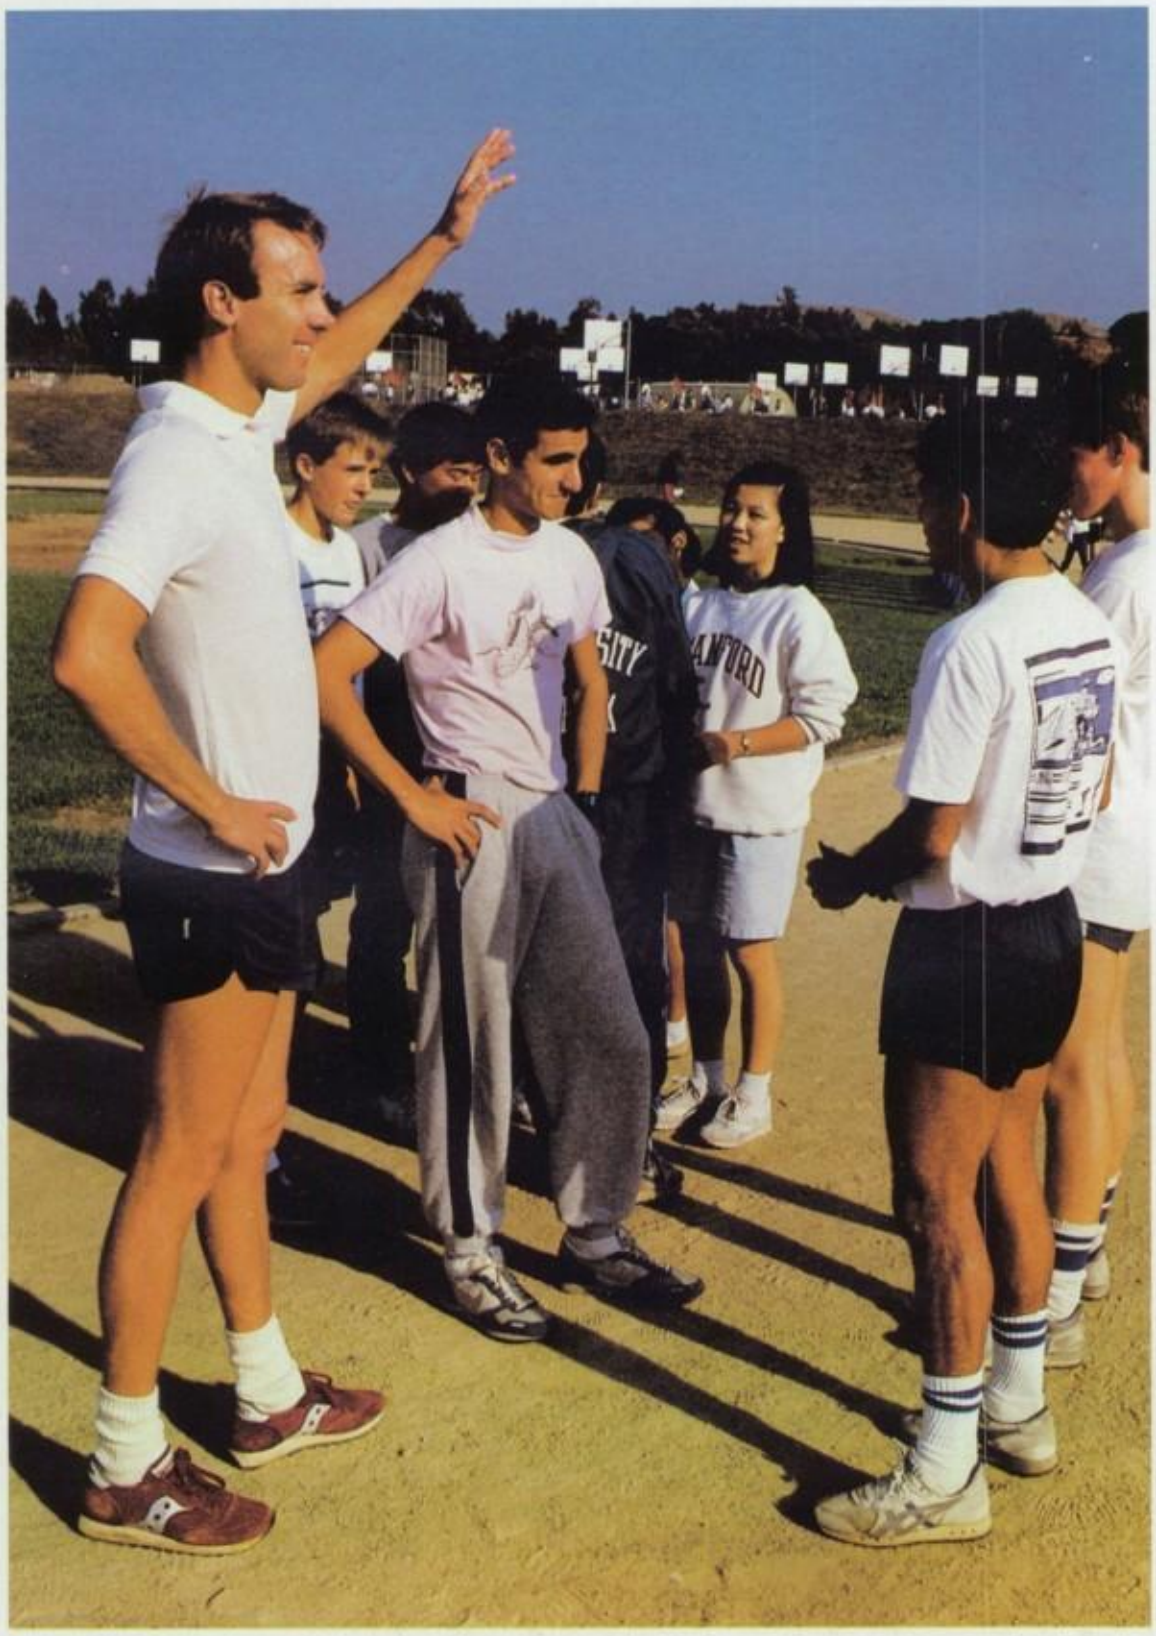
TIMES

Man of the Year



Mr. Dan Wroblicky





Able to triple jump in a single bound, conquer a physics problem without a calculator, and run three miles without getting winded . . . it's none other than Mr. Dan Wroblicky.

We've dedicated the 1986-87 Odyssey to you, because you have made our experiences at UHS so memorable. You've helped us survive physics and inspired us to always do our best. You've run by our sides, helping us to improve our performance. You've cheered us on at meets, showing us that you knew we could do well. You showed us your support by coming to many events. You've always been there to give us a pat on the back and show how much you really care. You are a very special person and that is why the Odyssey staff extends a special thank you to you: the man, the myth, the legend, Dan Wroblicky.

SPIRIT

It made the difference between average and outstanding

Trojan spirit is one of the main characteristics that distinguishes our school from the hundreds of others. We show spirit at pep assemblies, football games, and Friday fiestas. The cheerleaders and the Bowling Club have encouraged all the students at UHS to get involved. They brought out the enthusiasm and spirit in everyone. The crowd pleasing cheers helped our teams achieve victories and let everoyone become part of the game. After all, that's what UHS is all about . . . spirit.

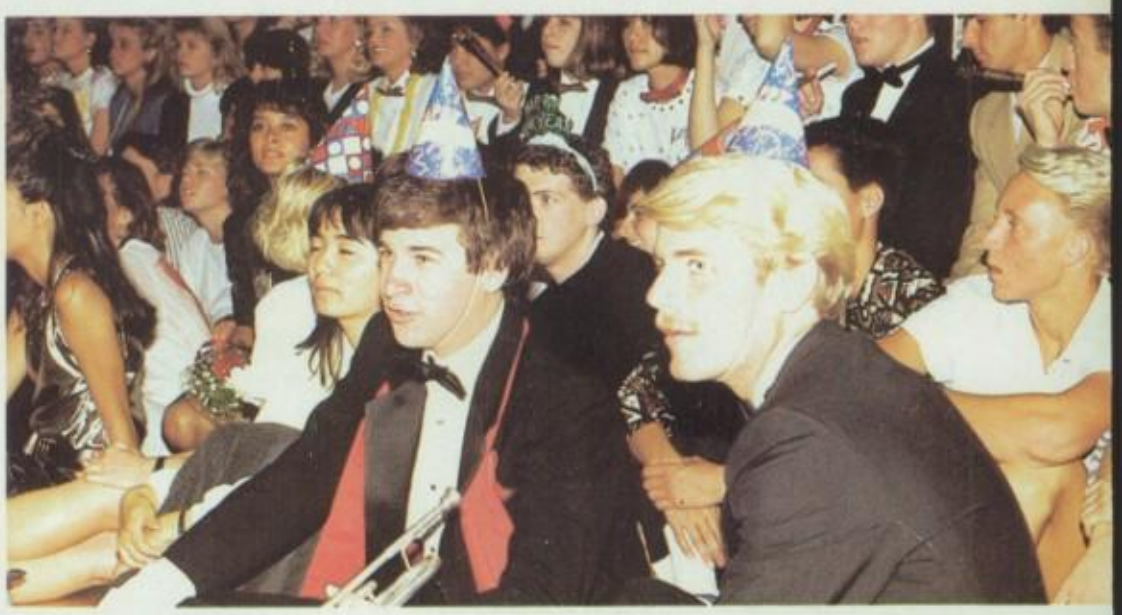
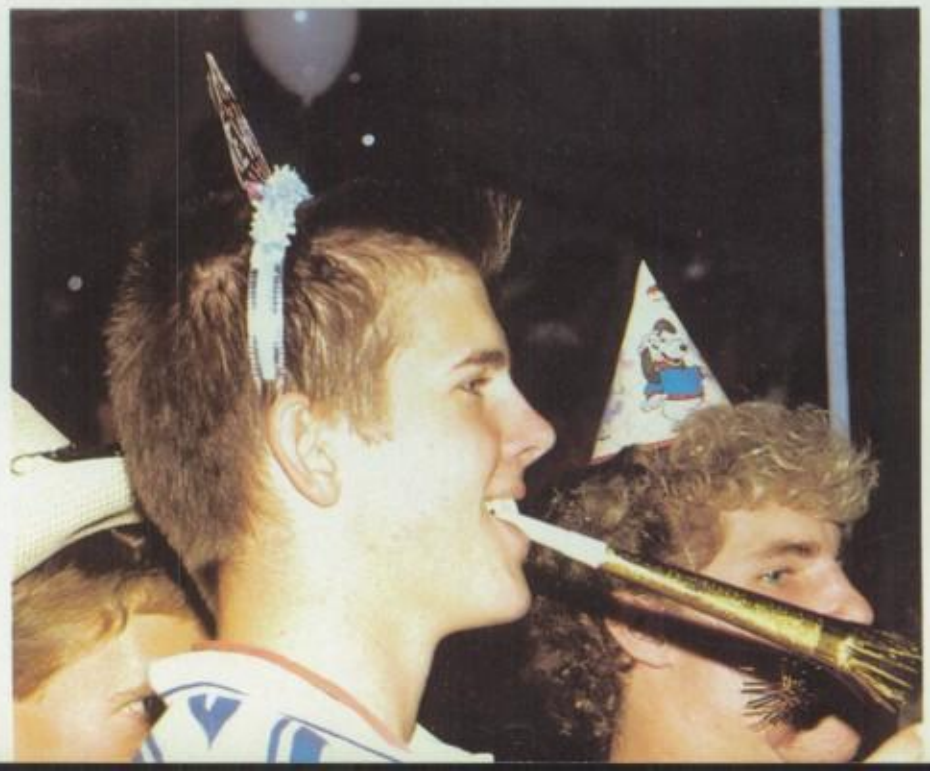
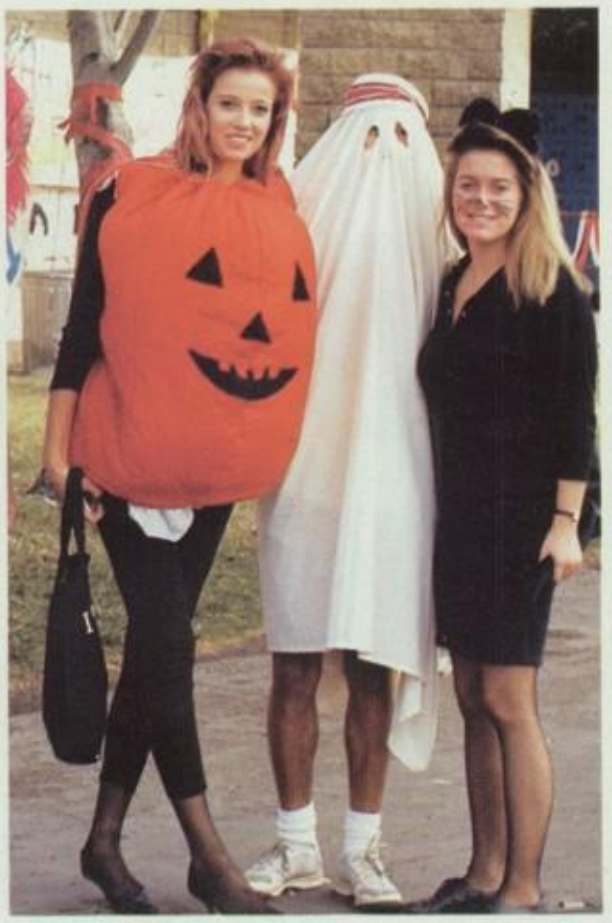
SPIRIT DAY

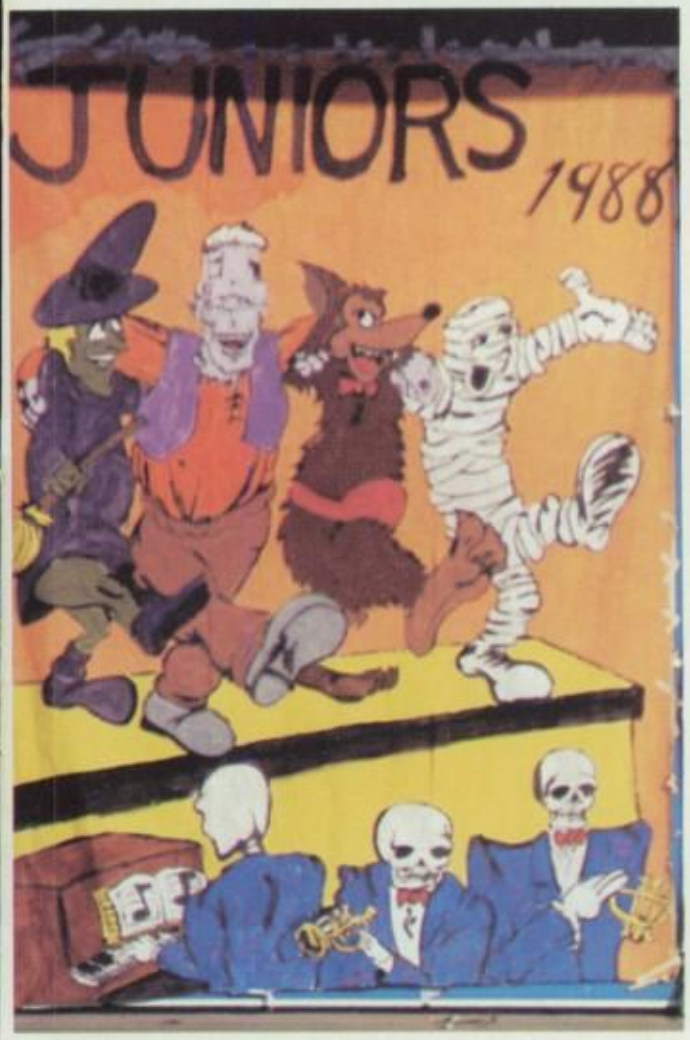


New Year's Eve

The Class of '87 dressed up to the theme of New Year's Eve. Seniors dressed in tuxedos, fancy gowns, and other outfits such as baby new year and father time. These reflected the party attitude of the seniors. The mighty class of '87 decorated the entire 200 building as well as Senior Hill. As might be expected, the senior class left their mark on Senior Hill with toilet paper, streamers, and confetti. Standing majestically on senior lawn was a 12 foot tall bottle of sparkling cider. At their last spirit day assembly, the class of '87 gave it their all. Over 200 black and white balloons and colored streamers floated throughout the senior section of the gym. The senior class danced to Kool and the Gang's song "Celebration," and proved that they don't take no (uh) jive.







Halloween

Spirit Day was a huge success for the juniors. Their theme was Halloween and they decorated their building with ghosts, spider webs, pumpkins, and scary posters. They also put pumpkins on every locker, which added a special touch to the 300 building. They decorated Senior Lawn with a graveyard, a pumpkin patch, and the Bates' Motel. Their mural looked awesome hanging on the stage. Juniors dressed up as pumpkins, mummies, ghosts, and witches. At the pep assembly, the Class of '88 proudly displayed their spirit by dancing to the "Monster Mash."

The exciting day came to an end after they showed the entire crowd their pumpkin placard during the half-time festivities.

HOMECOMING 1986

The 1986 Homecoming activities started off with spirit day on Friday, November 14. It was a day of "celebration." The Freshmen celebrated Valentine's Day, the Sophomores celebrated St. Patrick's Day, the Juniors celebrated Halloween, and the Seniors celebrated New Year's Eve.

Spirit day was followed by the Homecoming game that night, Uni was victorious over the Tustin Tillers with a score of 13-10. The half-time festivities consisted of naming Wendi Roberson as the 1986-87 Homecoming Queen, along with princesses Kim Oderkirk, Kristi Anderson, Jessica Drew, and Jeanne Tsai.

Saturday night came to a close with the dance at UCI's, Heritage Room. The music was provided by a Video Disc Jockey. The theme of the dance was "MAGIC." The "MAGIC" of the dance lasted throughout the night to end Homecoming 1986.

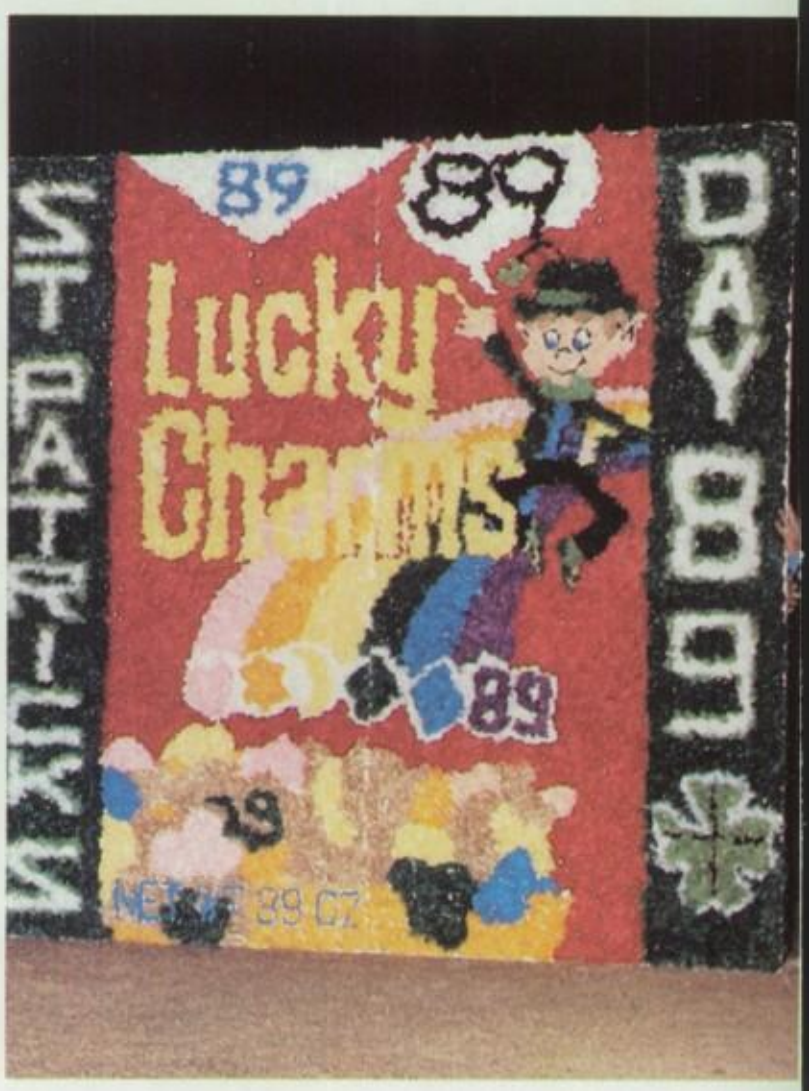
St. Patrick's Day

Dance me a jig, sing me
a song
'tis St. Patrick's Day
all day long
The sophomore class '89
Showed the rest how to shine
The school was decoratively
painted in green
With pots of gold as the
senior lawn scene
Elfs and shamrocks were
quick to be found
As they spread sophomore
spirit all around
They jiggered around to a
melody all day
They looked for four leaf
clovers and jiggered the
Irish way.



SPIRIT DAY

Valentine's Day

Although new to the tradition of Spirit Day at UHS, the freshman class of '90 showed everyone their Valentine spirit. The 500 building decorated with red, pink, and white hearts, as well as the kissing booth on Senior Lawn expressed the overwhelming spirit of the freshmen. Their theme song, "The Love Boat," given a rousing cheer by the senior class, succeeded in uniting the class of '90. The freshmen dressed in red and white brightened up UHS as they sauntered around campus. Perhaps the sign that best summed it up was: Life begins as a freshman.

"You can never win or lose if you don't run the race . . ."

Psychedelic Furs

Middle Left: Alisa Stouffel just can't help laughing!

Why do we celebrate at U.H.S.? Because . . .

— its a three day weekend.

— we won another football game.

— our parents are away for the weekend.

— we got A's on our English finals.

— we got our drivers license.

— the bell rings at 2:55.

— JUNE HAS FINALLY ARRIVED!

Top Left: "So what do you think about that guy over there?"
Middle Right: Sophomore Danny Baird could have sworn that he just saw his mom walking across campus with his lunch.
Bottom Left: "What do you think you're doing?"

It's a bummer for a guy when . . .

— he mistakes his shaving cream for toothpaste.

— his fly is unzipped, and he doesn't know about it.

— he cannot use his car to take his girlfriend out, but his parents offer to drive.

— he buys a used car cheap, only $200, and then he pays another $3000 in repairs.

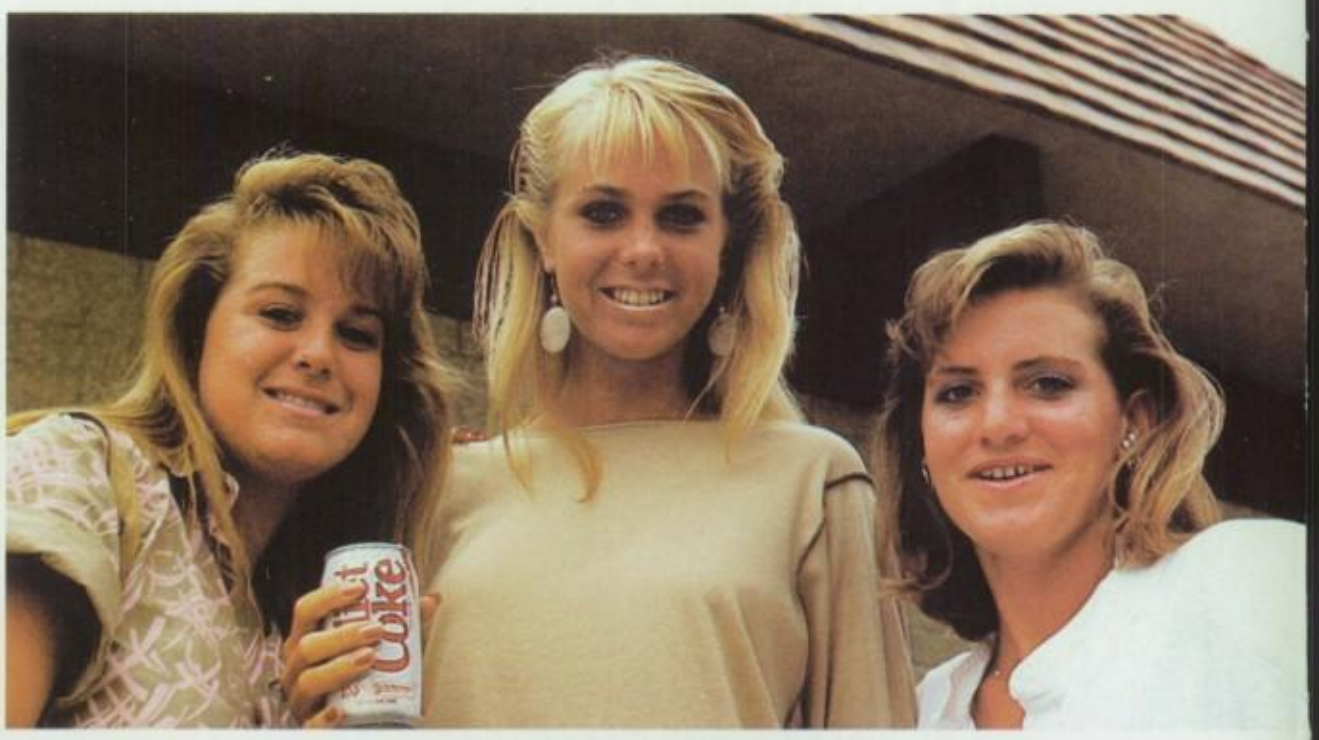
— he discovers that the girl of his dreams has the IQ of a wet dishrag.

— a bird scores a bulls-eye while he's sitting between two girls at lunch.

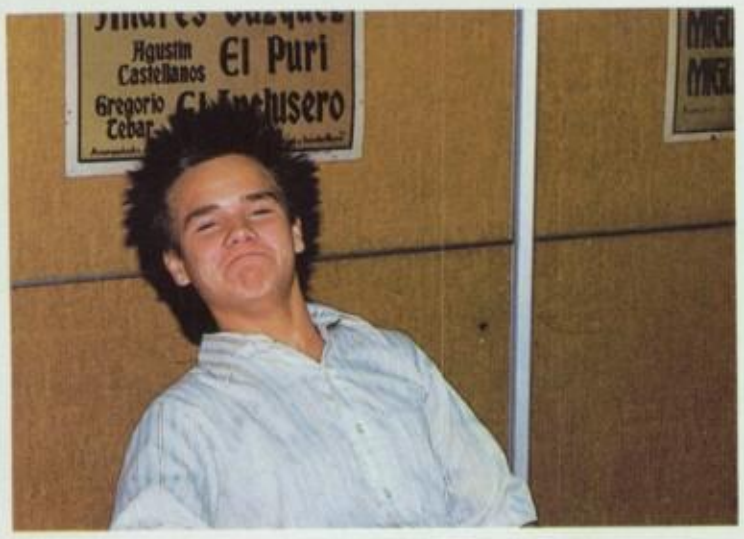
— he goes on a blind date and finds out that he is dating his math teachers neice.

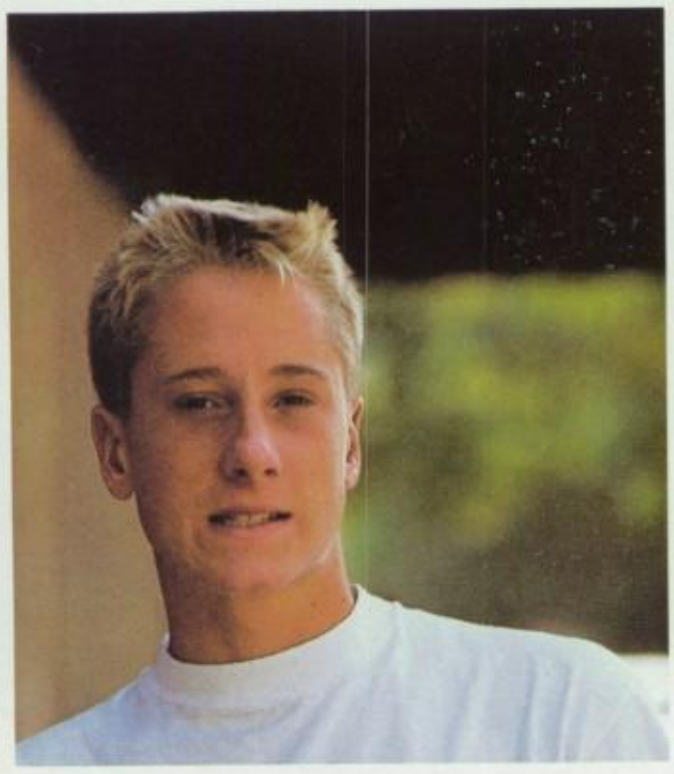
— after shaving, he finds that he has gone through a whole roll of toilet paper to cover-up some nasty nicks.

— he finds the most beautiful girl that he has ever seen and the nicest girl he has ever met, and she isn't even seeing anyone! And then he realizes that the only thing he can't find is the nerve to ask her out.



Top Right: Heather Volk and company enjoy snack by sharing a Diet Coke.
Middle Right: Girl's League officers doing the Hawaiian can-can.
Right: Trumpet player contemplates before a half-time show.
Far Right: Lisa Thorton watches as Jenny Moe disects her baked potato.





It's a bummer for a girl when . . .

- **the guy she likes happens to be madly in love . . . with her best friend.**
- **she smiles at a guy and the only thing he can see is the food stuck in her braces.**
- **she discovers, after walking to school, that her hair looks worse than it did when she woke up this morning.**
- **she gets her nails freshly polished and the next day her mom asks her to clean the oven.**
- **she goes to a dance with a guy who moves about as well as Frankenstein with athletes foot.**
- **the most romantic thing her football-playing boyfriend can say is "Hike!"**
- **your best friend's boyfriend is your secret love.**
- **she discovers that the make-up she is using is from a Halloween "Clown Kit."**
- **she totally changes her image-a new hairdo, new colorful clothes, unique shades of makeup-to keep up with a fad, and a week later, the fad is dead and buried.**
- **she finds out those braces that were going to come off a week before Prom haven't completely straightened her teeth yet. The orthodontist says another year or two should fix the problem.**

Top Left: Monique Reeves and Wendi Roberson show off their pearly whites.

Top Middle: Erin Edwards takes Eric Hughes out to lunch.
Top Left: Darren Turbow says — "Get that camera out of here or else!"
Bottom Right: Craig Belle and Michelle Bell. We're not Mr. and Mrs. yet.

"Stay forever in the light, never lose sight of the way. For I alone can't face the future. I need your strength to help me make it through . . ."

— The Alarm

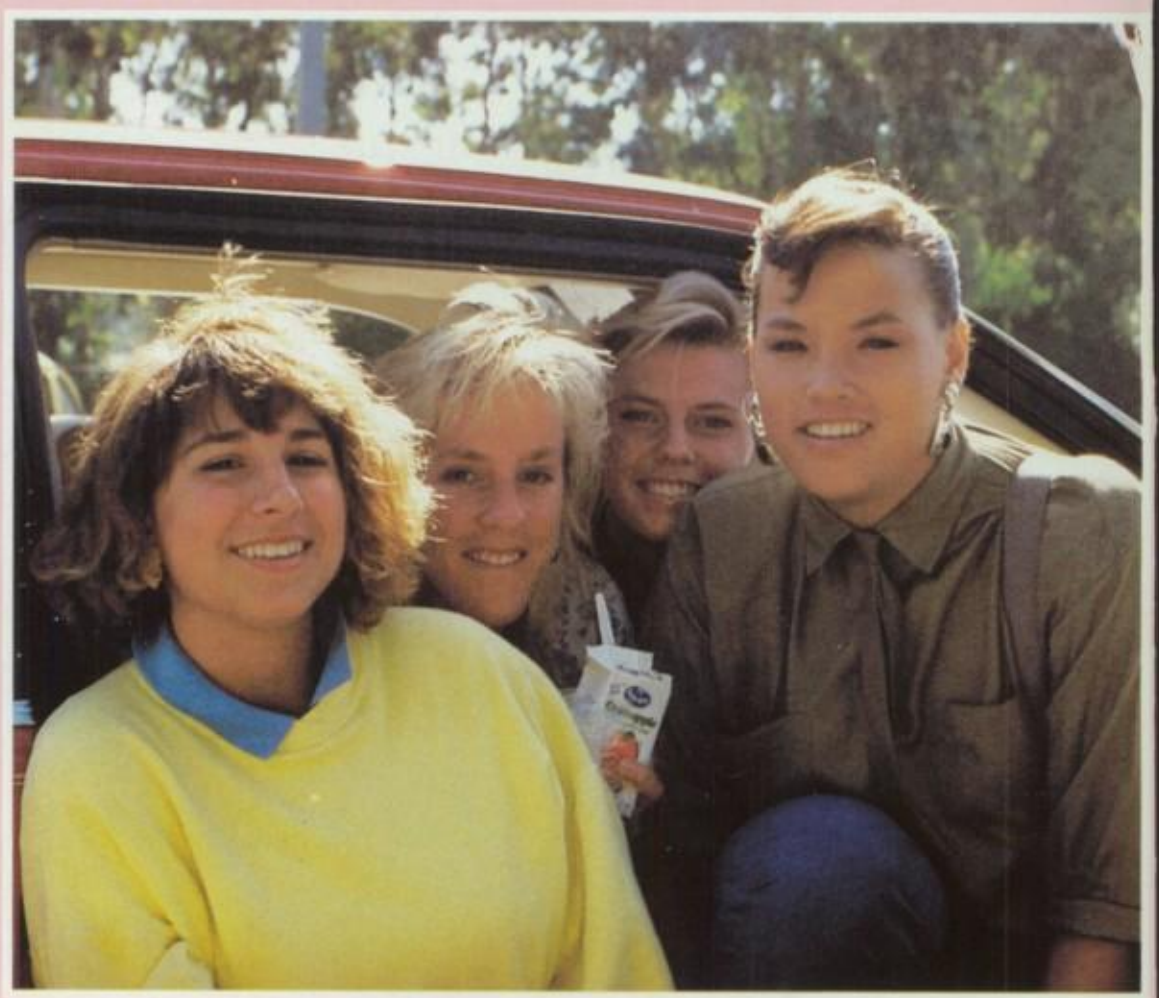
Top Left: Juniors celebrate at a Trojan football game.
Middle Left: I didn't do it!? It's his fault.
Middle Right: Debbie Manasse and Sheryl Benevento enjoy their first legal year on Senior Hill.
Bottom Left: '88! Stomp, Stomp! '88! Stomp, Stomp . . .

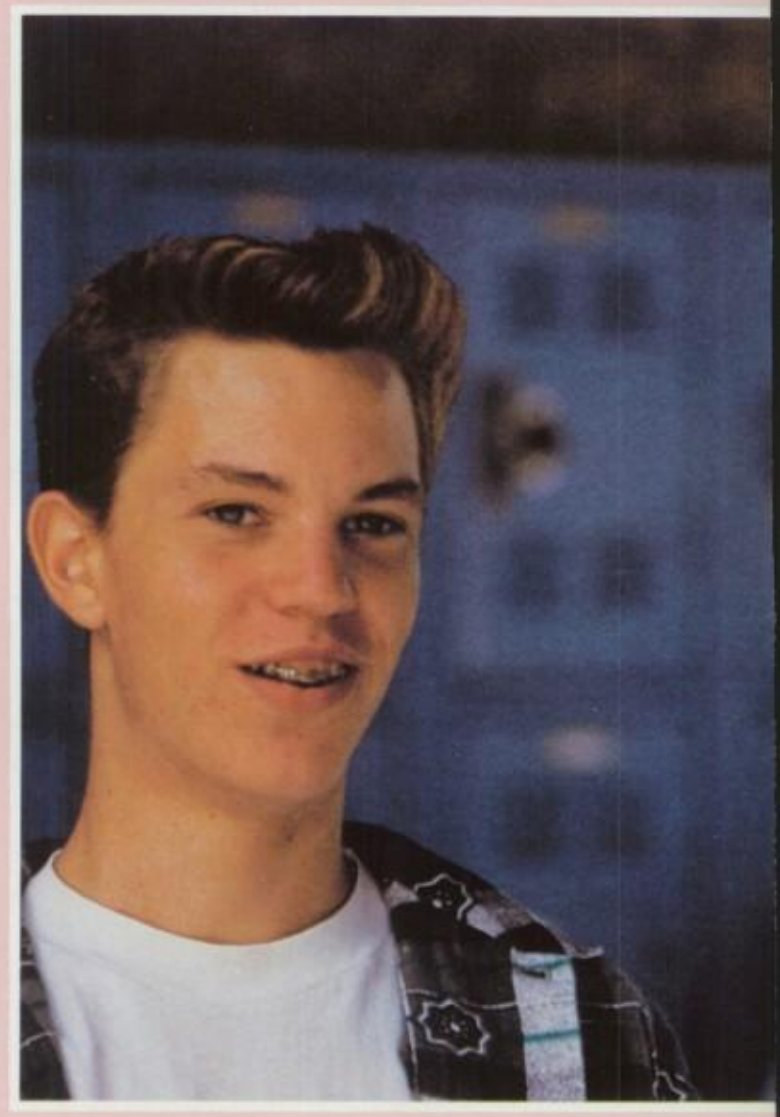
FRIENDS

They double all the joys of life & ease the sorrows

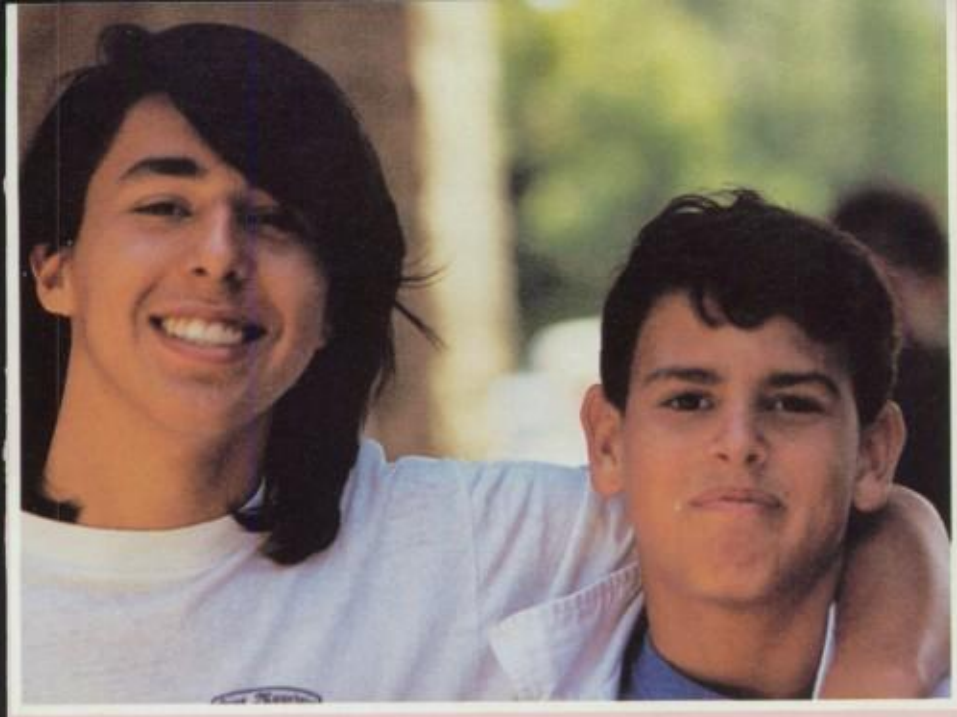
It is not often we stop to think about how special our friends truly are. They double the joys of our lives and ease the sorrows. Being a friend involves trust, loyalty, honesty and love. It also involves the freedom of individuality. True friends are not ashamed to be themselves when they are with each other. The rewards of having a friend are well worth the effort required.

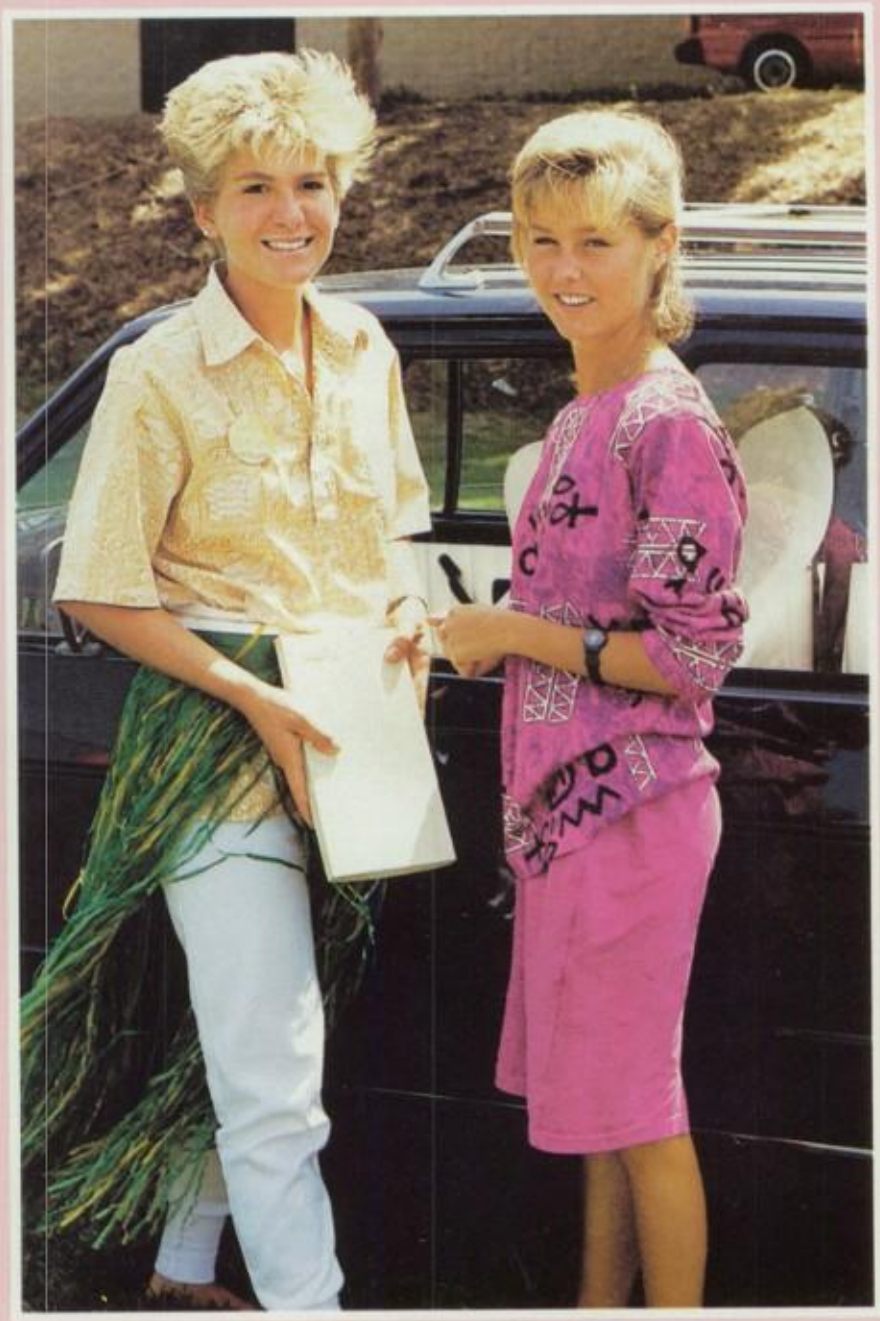
Although finding a true friend is sometimes difficult, it is never impossible. Friends often appear in unlikely places at unlikely times. We will make friends with many people throughout our lives, but the friends that we have made at UHS will be cherished forever.

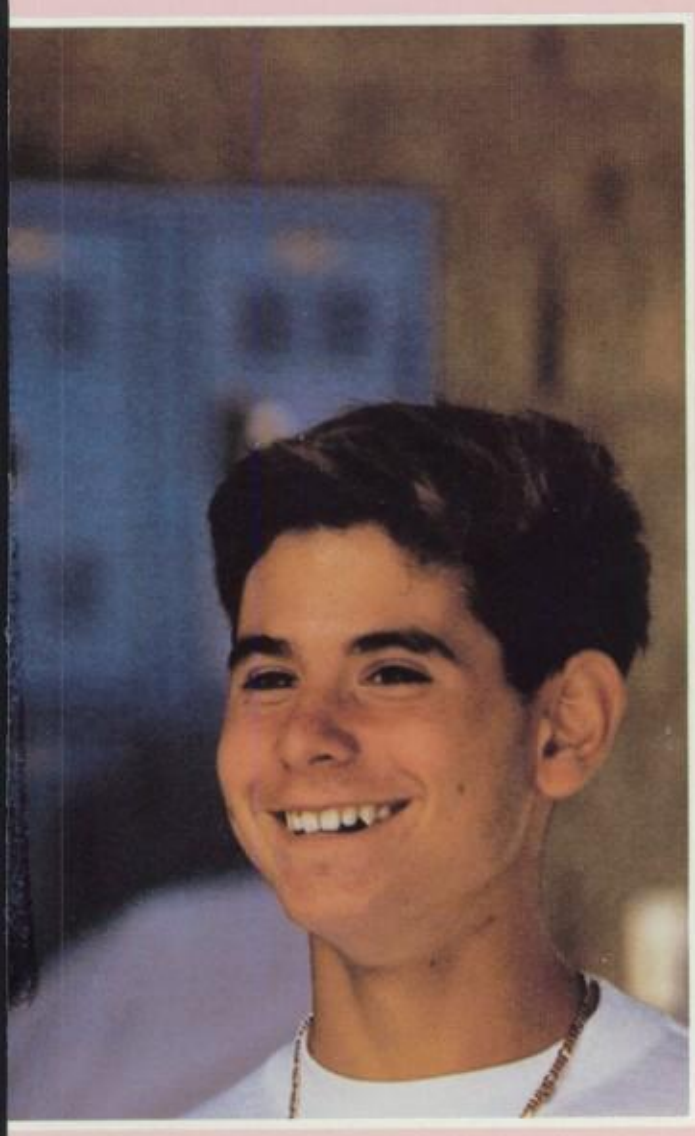




Top Right: Cathie Simpson, Stacy Theodosin, Michelle Reece, and Erin Quon stick together during lunch.
Bottom Right: Wade Hammond and Leon Meschoulam have time to stop and take a picture.
Middle Left: Alissa Keuker is never seen without her best friend Ashley Harlen.







Top Left: Adrian Arellano and friend smile for the photographer.

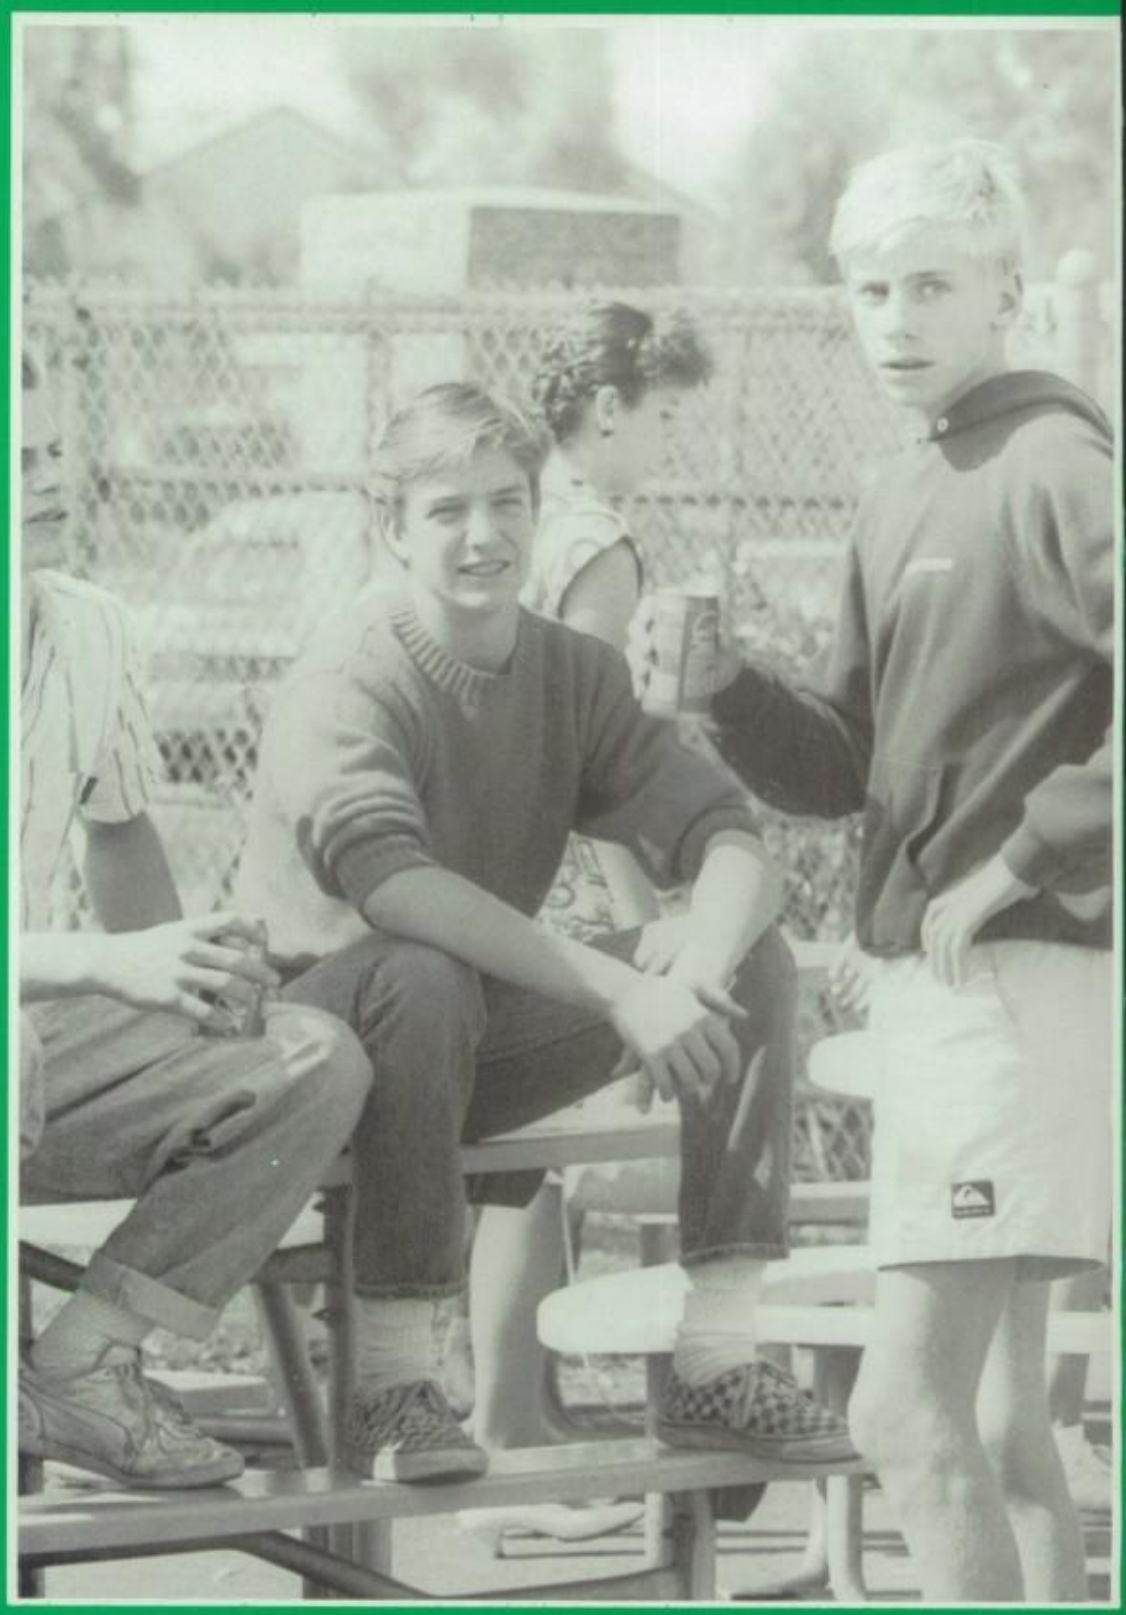
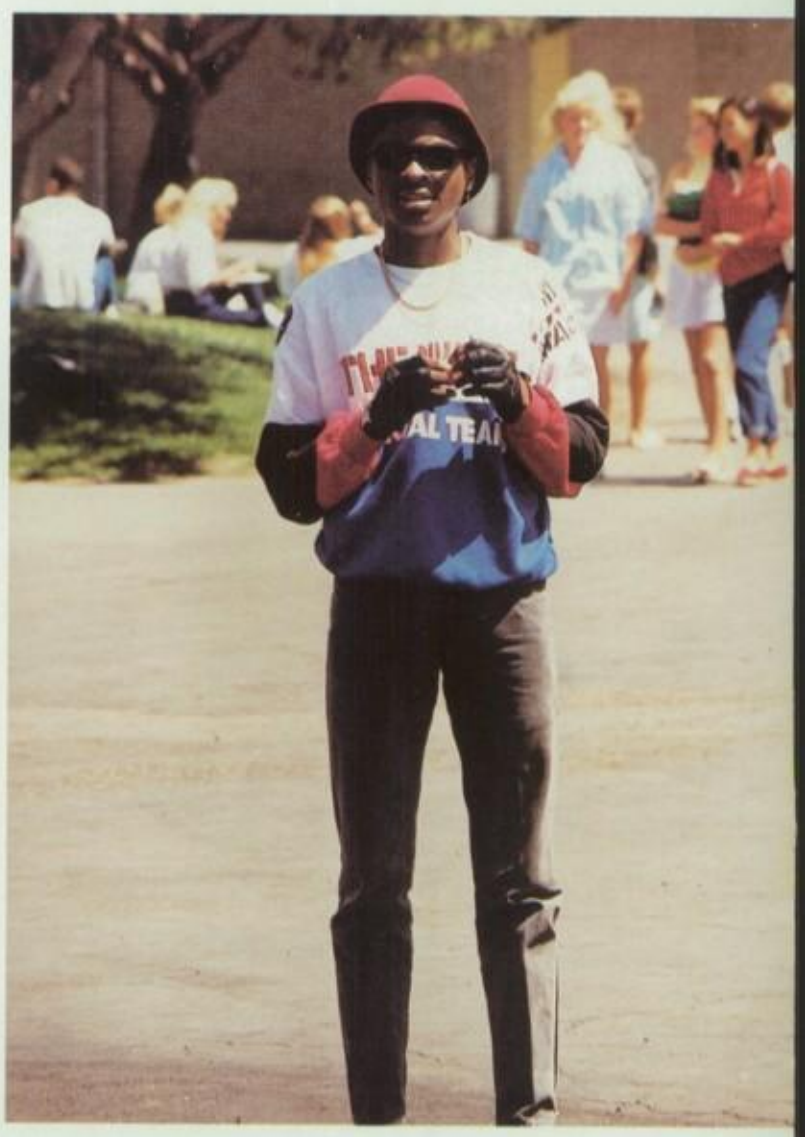
Middle Left: The three Musketeers or the three Trojaneers?
Bottom Right: Sisters or friends? You just can't tell. — Laura Dyer & Shelley Frasier

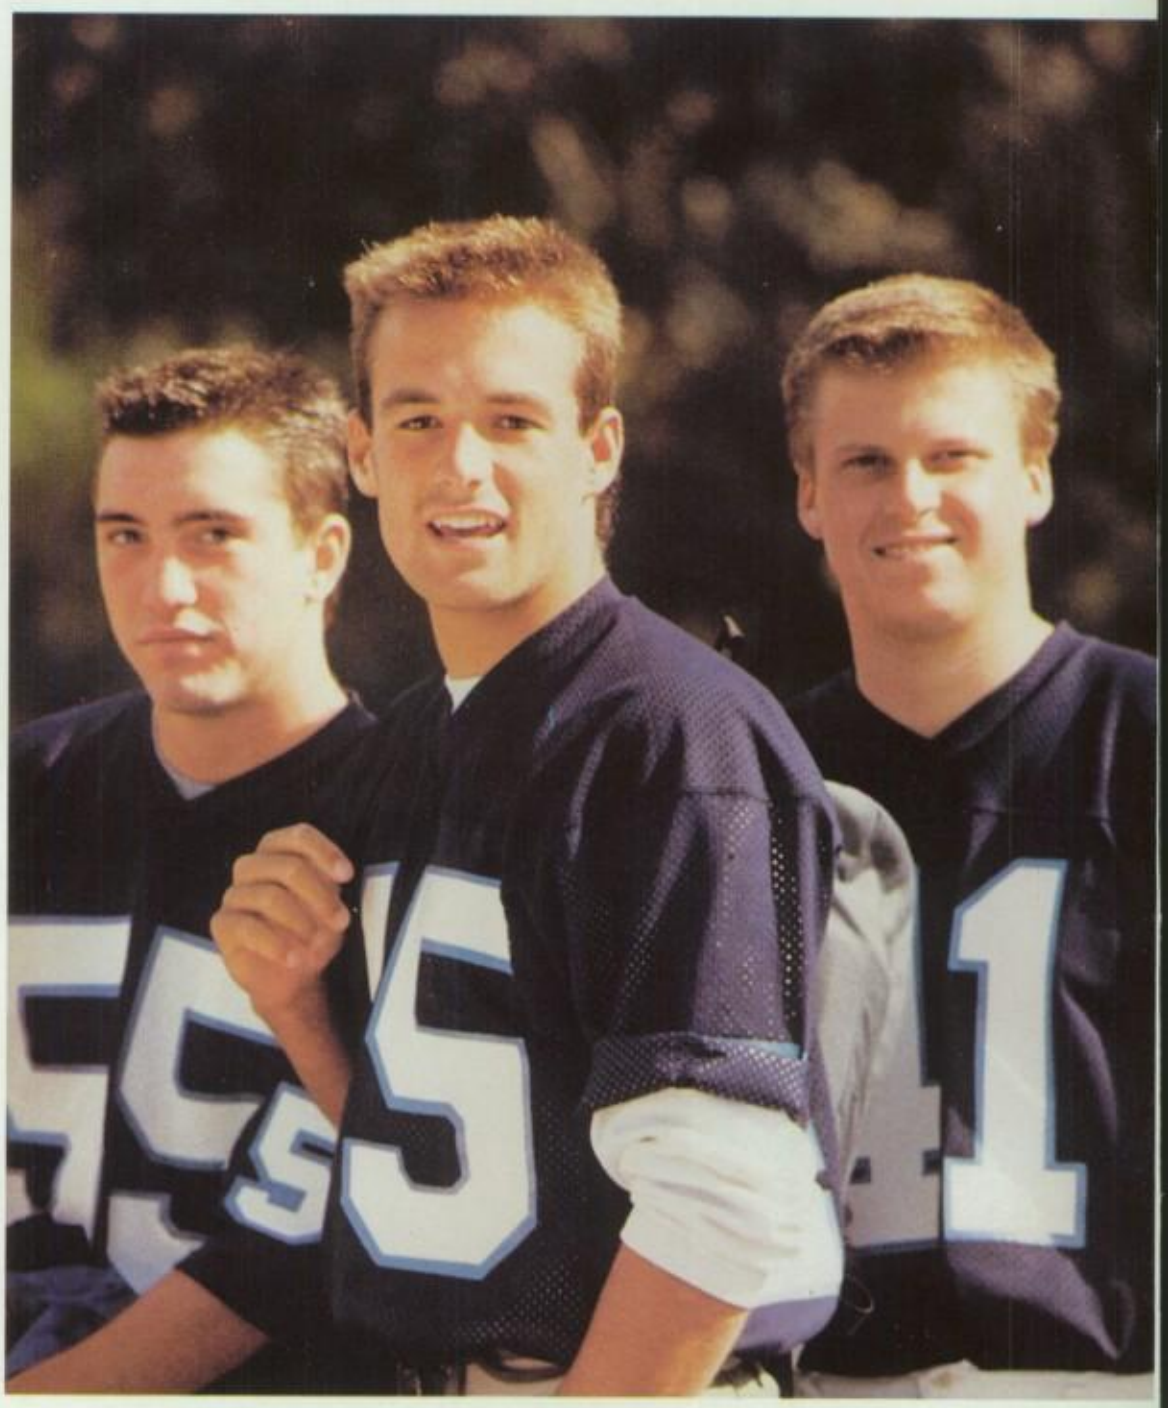
Traditionally when we think of the word "celebration" many pictures come to mind — party hats, balloons, and confetti. These things are actually tools to help us express our happiness. Pep assemblies, football games, Friday fiestas and holidays give us the opportunity to forget homework, tests, and pop quizes. However, there are many aspects of our lives that we will celebrate and remember. We celebrate sportsmanship and the excitement of competition; and academic achievements, whether they are of National Merit or of personal satisfaction. Finally, the celebration of unity encompasses school pride created by the student body. The celebration of these times will be in our memories forever.



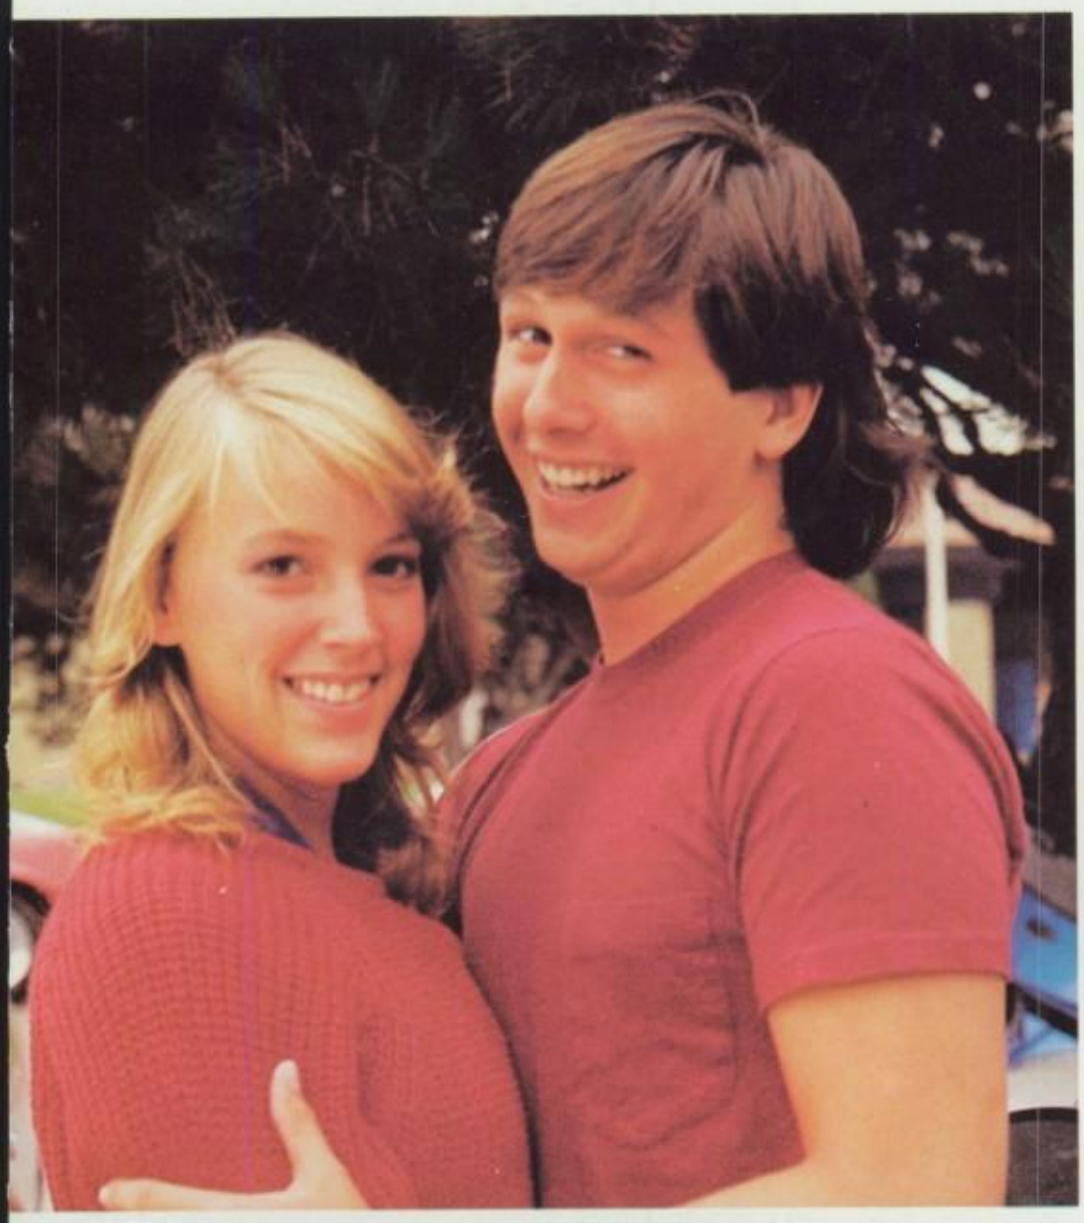
Top Right: Sitting on tables at Uni High is legal.
Middle Left: Spirit is in the air as the students head for the pep assembly.
Bottom Right: The new offensive line of our team.

Top Left: The infamous parking lot crowd.
Middle Left: What's everyone looking at??
Middle Right: These two have got something to cheer about.
Bottom Left: Tim Warady is excited about his Charms Blow pop.



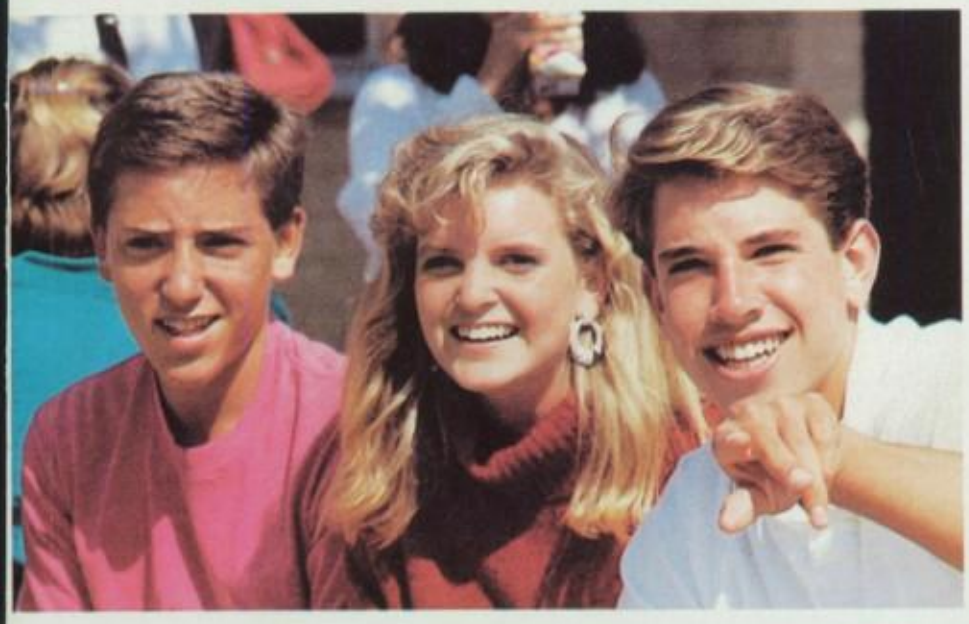


Top Right: The photographer scared the rest of his friends away.
Top Left: Erica Hoegh and Sarah Metz are relieved after soccer practice is over.
Bottom Right: Mat Segal, Jeff Berger, and Tory Thomas are friends on and off the field.
Bottom Left: Erin Murphy and her teddy bear.



"Move — move — we got the gift of life. Go and shout it from your roof mountain top. Give it to me once and give it to me twice. We gotta keep movin' — we gotta keep movin'!"

— The Jam



Top Left: Andy White and Lisa Hoefs are just like Siamese twins.
Middle Left: Hey, its rude to point your finger at someone.
Middle Right: The Balloon Launch for peace was a big success.
Bottom Left: Freshmen enjoying their first game of high school football.

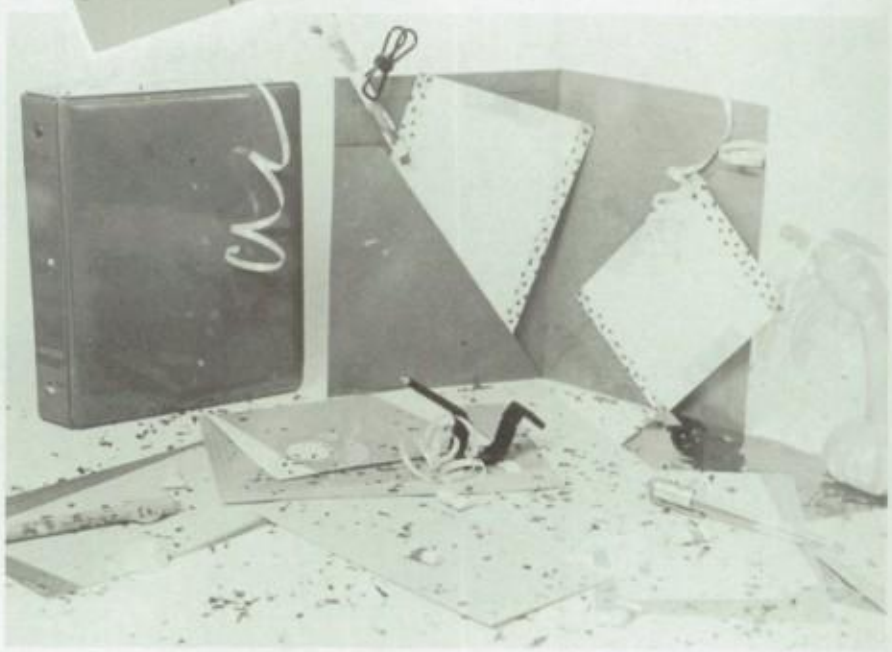
TRENDS



A trend is a celebration of fashion, individuality, style, and opinion. We express ourselves by what we wear, how we spend our time, what we think, and how we present these thoughts. As we grow older our tastes change, and as we present these new and changing tastes and opinions, we create trends. Although trends are constantly changing, the most obvious ones are captured on these two pages, so that in future years we will remember our celebration of the 1986-1987 trends.

SATURDAY NIGHT LIVE

Live from New York. It's Saturday Night. This year's theme for the variety show fit well with the actors' style of comedy. Several skits were studied from the original productions of the popular T.V. show. These skits served as inspirations for their zany acts. Oprah Winfry served well as the hostess. The scenes included Church Chat, the Cone Heads, the Widebottoms, a take off from Dynasty, the News, Star Trek, and the Lunch Club. The show went over very well. The Drama Club was able to raise lots of money.

Special thanks to Bryan Lutterman, Aram Delgado, Michelle Lipka, Michael Tabb, Andrew White and all the others who helped with the script. It was a blast! Especially the movie. Hah, Hah! I've killed another. Well, isn't that special? Hmmm.

Top Left: Fa-La-La-La. Lisa Hoefs and Erin Warkencin. Top Right: Nicole Cunningham as Oprah Winfry. Middle Left: Ooh, a satanic record. Grandma Bryan Lutterman. Middle Right: Church Chat with Nicole Oderkirk and Bryan. Bottom Left: The Lunch Club. Bottom Right: The Unlucky Andersons.

Comedy Tonight

Top: The entire cast singing "Comedy Tonight." Middle Left: Sue Buettell dances away. Bottom Left: Master of Ceremonies, Dick Roche, and Claire Constantino present the 1920's. Bottom Right: The Unflappable Flappers.

COMEDY TONIGHT

On March 5 and 6, the faculty comedy show as presented in the Circle Theatre. "Comedy Tonight" was an overview of music from the past seven decades. Dick Roche was the humorous Master of Ceremonies. The card girls introduced each decade. For the '20s, there were the Unflappable Flappers and an Al Jolson Medley by Jim Shannon. Then, Burt Lindfors performed "Beer Barrel Polka." "On the Good Ship Lollipop" was another act of the 30's. For the 40's, it was "The Entertainer" and "Beat Me Daddy, Eight to the Bar." You can't win 'em all! and Dan Wroblicky with "Hound Dog." For the 60's, there was the Motorcycle Mamas & Papas, Marjorie Rice singing "Blowin' in the Wind," Karen Mayer with a poetry reading and "Stop in the Name of Love." Then, "Macho Man," a Beatle Medley, and "Them Belly Full" for the 70's. The finale for the 80's was Square Pegs. The show was fun and successful. The students finally got to see their teachers as they had never seen them before.

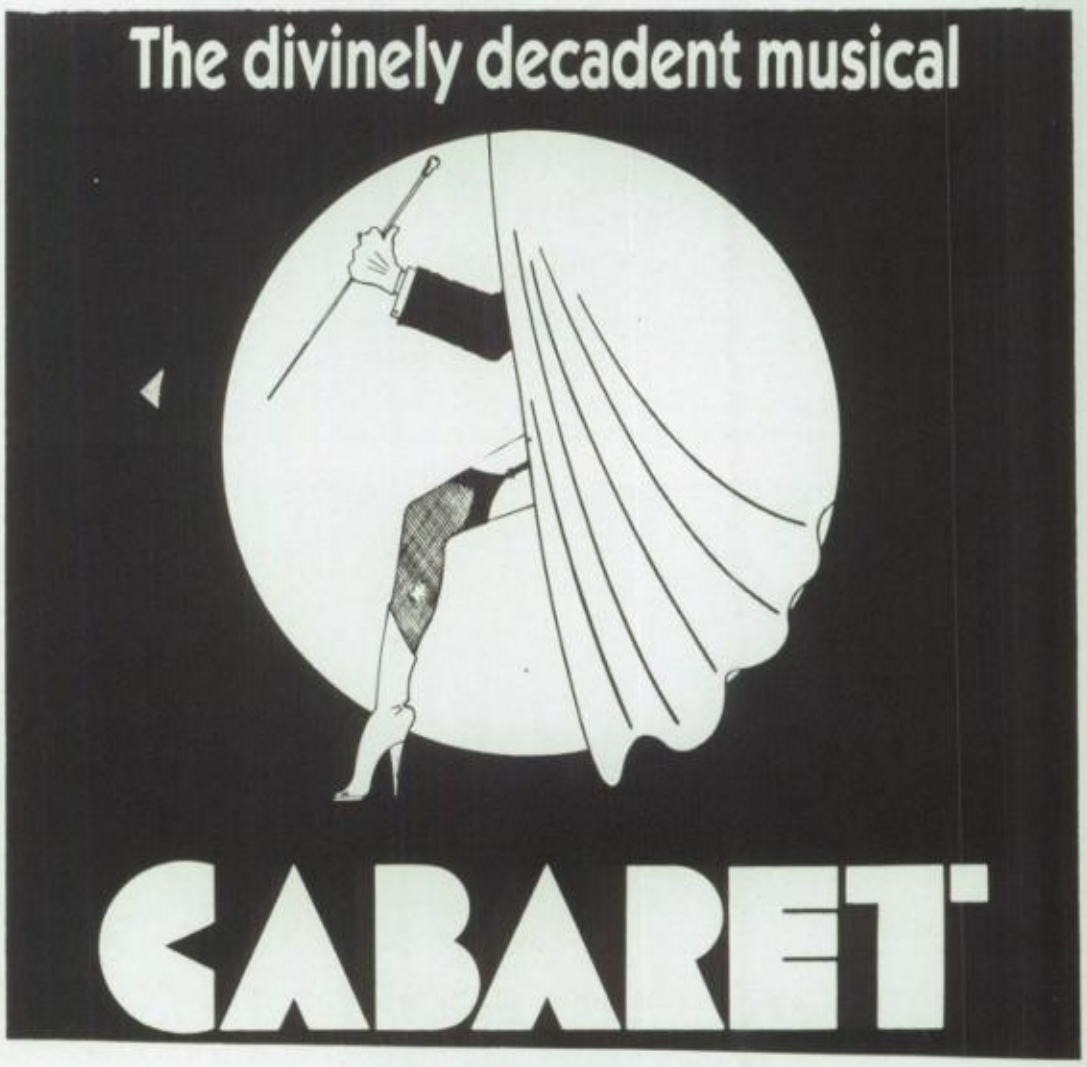
Does it look like we need practice?



Cast members are: Christy Barley, Doug Baumgartner, Jennifer Bendel, Shara Beral, Susan Cereda, Pei-Lin Chen, Nicole Cunningham, Scott Davidson, Jenny Deitch, Marilyse Delao, Azam Delgado, Janet De Myers, Donna Fagan, Julie Goda, Lisa Hoefs, Sandra Hwang, Kim Jaralone, Chris Jones, Betsy Latimore, Anna Le, Erika Levmann, Erik Leidel, Michele Lipka, Beth Luterman, Brian Luterman, Shelmarie Main, Kim Maister, Azin Meshkinpour, Nicole Odekirk, Courtney Pierce, Amber Poland, Matthew Pritchard, David Pritikin, Nina Richmond, Kim Ritz, Grace Roderiguez, Paul Shellberg, Dahlia Sifry, Melanie Smith-Jacks, Karl Stenske, Kate Stoudnaugh, Michael Tabb, Charmont Thomas, Tom Thompson, Andrew White, Christina Yarwood, Erin Warkentin.

"Hello, hello . . ." Cliff talking to Sally by telephone.

"WELCOME TO THE CABARET!"

"Cabaret" is a story about a young American writer named Clifford Bradshaw (played by Andrew White). Cliff goes to Berlin looking for work and inspiration. There he meets Ernst Ludwig (Scott Davidson) and Sally Bowles (Kim Maister). With Cliff and this Kit Kat Klub dancer/singer a rocky romance begins. The show consists of many musical numbers in which the Master of Ceremonies (Brian Luterman), the Kit Kat Klub girls and the chorus participate. The breakup of primary characters Fraulein Schneider (Lisa Hoefs) and Herr Schultz (Tom Thompson) shows the dominant theme of rising Nazi power. Fraulein Kost (Melanie Smith-Jacks) provides the comedy in the show. Cliff's departure to America leaves Sally alone but content to spend her days in the frivolous cabaret, and ends the story. This Daniel Trevino production played to sold out audiences on its breathtaking run. Choreography by Denise Dales and the orchestra conducted by Peter Fournier added to this vibrant musical. After all, what is life but a cabaret?

PROM 1987

King Matt Gorzkowski and Queen Alisson Smith

"BON VOYAGE"

Perhaps the most long awaited dance all year long is Prom. This year Prom, with the theme of "Bon Voyage," inspired the dreams of the guys and girls of UHS. Many hours of preparation went into the planning of the dance, and with the help of Senior Class Council and Prom Committee, the night created memories that will last forever. However, the preparation of the couples before Prom also took many hours. The guys dreamt about asking that special girl, hoped she would say yes, and prayed they would have fun. The girls dreamt about being asked by the perfect guy, finding a dress that was just right, and hoped they would make it through the night with their high heels.

Finally, Saturday, June 6th arrived to fulfill the dreams of guys and girls alike. Fancy cars and limousines began to pull up in front of the Newport Marriot at 8:00. The Grand Ballroom, decorated in black, white, and silver, was the perfect setting for a wonderful night. Couples danced all night to the video tunes played by the video jockey. The highlight of the evening was when the 1987 Prom Court was announced: Princesses *Danielle Macedo, Kim Weirick, Michele Belluzzi, and Stephanie Best*, and princes *Mat Segal, Morgan Bartz, Mark Bures, Eric Olin*. The the court was complete when King *Matt Gorzkowski* and Queen *Allisson Smith* led everyone in a slow dance.

The splendid evening eventually came to a close with the last song, "Goodbye Goodbye," by Oingo Boingo. Although everyone was exhausted, the night had only just begun. Prom 1987 will forever be in the memories of those who attended. It was just one way in which the students celebrated their year at UHS.

The past year has been filled with stress and fears — however, all of our work has paid off! The 1986-87 Odyssey Staff has given you a gift — the gift of memories. As every year passes, your yearbook will become more valuable. When memories begin to fade about your years at UHS, we hope that you will look back to *UHS Celebrates life.*

JCL "Illegitimi Non Carborundum"

JCL (Junior Classical League) has traditionally been the largest club on campus. The club's purpose has traditionally been to foster the development of Latin studies. Among the many activities JCL organized are the new member initiation on Sept. 20, the Haunted House, and the Toga Dance. For the first time ever, Uni J.C.L. hosted the annual California J.C.L. State Convention this year, which approximately 1000 students from high schools within the state attended. The convention consists of numerous academic and athletic contests which Uni has dominated for the past three years by taking home the Convention Sweepstakes Award. We're proud of our Latin Club and wish them the best of luck in future years.

The photography club had an eventful year in and out of the darkroom. They learned new techniques of developing film to present pictures in their best quality. The members also experimented with unique cameras and interesting subjects. The club's most exciting activity was the trip to Africa and journey down the Nile River. The amateur photographers captured their experiences on film, and the results were successful.

T-T-TRO, J-JAN . . . GO UHS!!

The 1986-87 Pep Squad worked hard this year to promote school spirit and unity. They diligently prepared for pep assemblies, cheer and song routines, fund raisers, and football and basketball games. While continuing UHS' commitment to excellence in cheer, the 1986-87 Pep Squad has set "new traditions" that changed the spirit of UHS.

We appreciate the support of our student body. Thanks for cheering with us! Also, we would like to give a special thanks to our former advisor, Mrs. Laura Moody and to the present Krista Patton for their dedication, support, and friendship. And, thanks to our UHS band, drill team, tall flags, ASB, and Bowling Club.

Girls' League: Monday, Monday . . .

"The guy in those pictures is SO cute!" — Jeanne Tsai

Are you just noticing that 29 girls all wear the same outfit every Monday? Well, that's Girls' League, the same club that sells and delivers the traditional Homecoming Mums and organizes Winter Ball, one of the most successful dances of the year. Girls' League is among the most successful and active clubs on campus, which consists of dedicated girls who work with each other and with other girls in the school to create closer friendships and unity. Due to lots of hard work and exceptional effort this year turned out to be a great success.

I would like to give my deepest appreciation to all the girls for their contributions and endless memories. This year has been the best! Good luck to next year's Cabinet — may you enjoy Girls' League as much as I have.

Thanks

For the first time in U.H.S.'s history, three Orchestra members were accepted by audition to the California Orchestra Director's Association, an all-state orchestra. The talented students are Oreet Ranon, cellist, Robert Oak, violinist, and Sherylle Mills, flutist. Throughout the year, the repertoire of the Orchestra included works by Bach, Handel, Corelli, Vivaldi, Schubert, and Mozart.

The 1986-87 Concert Band gave its first performance in December, featuring Senior trumpet soloist Rick Rayl. In February, the band took its annual tour to San Francisco and Yosemite. On the way, the band stopped overnight in Watsonville and formed a combined concert/band of over 100 Watsonville and Irvine instrumentalists. The band next hosted the fine Symphonic Band from Cal Poly San Luis Obispo with whom they shared a concert in March. Also, in March the band performed in the entertaining "Mom's and Pop's" concert with the Rancho Middle School Band and Orchestra. In April, the band earned top ratings at the Band and Orchestra Festival held at Golden West College. To top off the year, the band held its annual Spring Concert at Irvine High School where they dedicated their final selection to their exceptional Senior instrumentalists: Eric Taylor, baritone; Jennifer Falconer, clarinet; Michael Supancheck, saxophone; Charles McCallum and Kay Nickel, percussion; Shellie Nelson, mallets; and Grace Rodriguez, saxophone/drum major.

Bonjour! Guten Tag! Ciao! Zdravo! Hola! Salve! Greetings from the International Club! The main purpose of the club is to enable the students to be more aware of other cultures. Mime Company

The Mime Company is a group of individuals dedicated to promoting mime on campus. Composed of the advanced Drama students, it performs for various Irvine elementary schools and spreads the word to the younger kids that mime is still in. The shows and performances set up by the company employ a technique in the freeze posture, and portray a realistic way of showing an imaginary wall, commonly referred to as the "Fourth Wall." The scenes are based on moralistic and comeic expression. Thanks to all that know us, and saw us!

The Stage Band this year performed various types of music from the "swing" era and straight-ahead jazz to rock-n-roll and blues. They performed at the Moms and Pops concert in March, at various social and civic functions in the city of Irvine, and at junior high school assemblies. They ended their exciting year with a smashing performance at the spring concert in June.

David Letterman: Our Man, Our Idol

Left to Right: Aaron Espana (Secretary of Proper Oral Hygiene), Josh Deighton (Secretary of Fin Wines and Cheeses), David Malone (President), Brent Phillips (Secretary of Fuel Economy).

David Letterman is the epitome of teenage life in America. And so, every Friday at lunch, fan club members gather around the TV and watch video tapes of the Thursday night shows. "Late Night" which airs every Monday through Thursday at 12:30 AM, is taped so fans can watch the shows at a reasonable hour. But, of course, the real reason which holds the club together is its constant effort to get students' letters read on the "Viewer's Mail" segment of "Late Night." According to David Malone, president, David Letterman "is our idol, the comic genius of our times, and he doesn't wear a wig." The club plans to write for Letterman memorabilia and drop watermelons off the gym's roof, which incidentally was inspired by Letterman.

Club '87

Club '87 was designed specifically for seniors to promote spirit and unity within the senior class. Five weeks later she's out!! Not 'til the end of the year? No chance DD. Mr. December. USC. But Mr. Bailey we didn't know. Thanks for 4 great years. We had a blast in the "club." Too much action. Under the guidance of head surfer and mentor, George Greenshields, the surf club has risen to new heights at such beaches as Huntington and Salt Creek. Members who were mere spectators at the OP Pro this year hope to one day be competitors in this tournament.

Success

The 1986 Varsity football season was definitely one of success. The team was one of the most talented squads Uni has seen. Under the direction of Head Coach Mark Cunningham and assistant Coaches Steve Ruiz, Mark Takkinen, Jim Grove, and Chris Conlin, the team was determined to make it to CIF. Early in the season Cunningham stated "Our major focus is going to be getting to the playoffs." With hard work and perserverance, the team achieved this goal.

Uni started the season by defeating their crosstown rivals, the Irvine Vaqueros, in a pre-league game. Irvine took the lead early in the game, but Uni came back to win the game with a score of 34-20. The team went on to place third in the Sea View League. Uni made it to the playoffs, only the third time in Uni's history.

Uni faced Freeway League champion La Habra in the first round of CIF. The trojans lead the game 27-7 until the end of the third quarter. Uni, however, was defeated by a score of 35-27. The trojans had nothing to be ashamed of. They had an excellent season and the school was proud to have them represent it.

The trojans achieved victory through hard work.

There were many outstanding players on the varsity squad. The key players include Jeff Bailey, quarterback; Craig Belle, runningback; Craig Allton, receiver; Mark Bures, center; Scott Tompkins, linebacker; and Gerry Gandera, defensive back.

Awesome

With a record of 9-1-0, the Sophomore football team can only be described as awesome. The sophomores started their season by defeating Irvine in a pre-league game and went on to defeat all except one of their opponents. The team was unstoppable thanks to the excellent direction of Heach Coach Lad Salness and assistant coaches Mike Bova, Craig Huff, and Annie Salness. Key players include Jim Roberson, runningback; D n Sherman, wing back; Charles Wilmont, offensive tackle; Roger Sanders, offensive guard; Marshall Francis, defensive back; and Junior Oliver, Quarterback. The sophomores would sum up their season by cheering, "Alright, alright, alright. Awesome, awesome, awesome."

The Freshman' hung in during tough times. "The team improved as a whole throughout the season. Head Coach Dick Roche enjoyed seeing improvement in the players "both in ability and maturity." Assistant Coaches Bob Baker and Ron MacKay also helped the team to gain the experience they need to be successful throughout their next three years at Uni. The freshmen developed the discipline and the commitment that will be essential when they play on the Varsity team. Key players include Linemen Chris Chase, Tony Horn, and Derek Ogle; Backs Nate Green, Rick Gallagher, Steve Bregman, and Gabe Taburda; and Defenders Eric Burkett, Chris Farmer and Brian Lundy.

A Winning Attitude

With a positive attitude and a desire to win, the varsity squad continued to improve, making this one of their best seasons ever. With help from their new head coach, Mark Mednick, the varsity team improved both their teamwork and their team spirit. As sophomore player Lisa Vail said, "Now, we have a much better attitude as a team, and as a result, we are playing much better than before." Their drive to win, as well as their friendships, pulled the team together, making them stiff competition to Sea View rivals Newport Harbour and CDM. Finishing with a record of 4-6, the varsity squad came in fourth behind Newport Harbour, CDM, and Estancia. However, "the season ended on a good note," said Coach Mednick, "and although we didn't do as well as we hoped, we enjoyed playing as a team." Seniors Kim Johnson (team captain), Erin Quon, Cathie Simpson (team captain), and Julie Pitchess, playing together now for three years, made up the leadership core of the team by contributing outstanding play as well as team enthusiasm. Other seniors included Stephanie Fujimoto and Melissa Gonzales. Junior Debbie Wahl became the team's Most Valuable Player, Junior Katie Spencer was named the 110% Player, and Senior Julie Pitchess was named Most Improved Player. Other key junior players included Casey Wirth and Tina Cooper. The only Sophomore on the team, Lisa Vail, also added to the team's skills. With their talent and winning attitude, the varsity squad made this a season to remember.

Enthusiasm

The Junior Varsity set an enthusiastic pace this season, making the words "team spirit" not just another catch phrase. Their hustle on the court plus their desire to win made for a winning combination. The new J.V. coach, Linda Perry, was instrumental in promoting the spirit and cohesiveness of the team. It was this spirit which made the J.V. team so strong. As Coach Perry said, "The J.V. team works well as a unit. Their team spirit is unequaled. Each girl contributes in her own special way." Key players included Sophomore Jennifer "walkin' in the rain" Moe (Most Valuable Player) for her excellent setting and hitting skills, Junior Kim Jensen for her quickness and agility as a setter, Junior Stephanie "Ninja" Watson for her aggressiveness as a hitter, (Most Improved Player) for her motivation as a player, and Stacy "Black and Blue" Schumacher (110% Player) who was always willing to give her all in every game. Although the J.V. team did not finish with a winning season, their winning attitudes and team togetherness made the season memorable and fun.

This year's Frosh-Soph team has the potential to be one of University's best volleyball squads. Finishing with a record of 10-1, the Frosh-Soph team tied with CDM (traditionally one of Sea View's top teams) for first place. Their impressive performance is equaled by their team enthusiasm. As Freshman setter Tracy Webb said, "Peppyness is what a team needs to stay on a winning streak. It helps us play 100% better." In years to come, UHS will see much more of these girls as they make their mark as a powerful, enthusiastic volleyball squad.

Trojans Reach CIF

UHS' varsity water polo team ended a fantastic season by reaching the semifinals of the Southern Section 4-A playoffs, and ranking fourth in Southern California overall. By defeating Tustin in double overtime (11-8), Uni went to the CIF playoffs. When beating Long Beach Wilson High 7-3, Uni entered quarterfinals against Villa Park High School. Uni's supporters were on their feet throughout this exciting game. With four seconds left in the game, junior Mark Herman made the final goal to defeat Villa Park by the score of 9 to 8. Uni finished their season at semi-finals, playing against Corona Del Mar.

Talent, unity, and a lot of hard work were the key factors to the team's success. Coach Campbell remarked, "We had a strong nucleus of nine players all of whom contributed as individuals with a lot of hard work in the form of morning and afternoon workouts. As a team they blended well together." The polo team consisted of many key players with Jens Metze and Ken Little on the offensive end and Dirk Venzlaff, Greg Waters (goalie), and Jeff Krogen on the other end. Dirk Venzlaff believed that the team's teamwork and the coaches' (Jeff Campbell and Matt Campbell) water polo experience contributed to the team's success. After the team won the San Luis Obispo tournament, Greg Waters proclaimed, "I played up to my full potential. I finally could show my team and coach what TALENT I really had." The

Striving for Excellence

UHS' Frosh/Soph waterpolo team lived up to their great expectations, ranking third in the Sea View league. Their teamwork, both offense and defense, was the major factor contributing to their successs. Coach Messiah Morris exclaimed, "The team was very unselfish, always helping each other." Freshmen Greg Krogen, Chase Bankhead, Bryan Gregson, and sophomores Mark Scarlata, Brian Ballard, and Scott Jordan aided their teams by setting a good example with their intense strong defense. Mark Scarlata summed up by his team's attitude by stating, "We never gave up. Although there were times we lost, but we played really well as a team; that is what it is all about."

The Trojan Junior Varsity team finished their season placing second in the Sea View league. Sean Duffy exclaimed, "Making friends on the team plus the feeling you get when you've played your best is the best aspect of polo." The team is excited about next year. Rafael Patino, goalie, states, "Spending four hours a day for three years playing together, we are ready to carry on the Trojan winning tradition."

Emotional

The UNI Girls' Varsity Tennis Team had a tough and very emotional year, winning only four matches out of ten. After some hard fought matches team members would come off of the courts crying, having lost by a few vital points.

Three team members were recognized with awards this year, they were: Ingrid Carlson for MVP, Tani Abe for most inspirational, and Jackie Sirignano for most improved. The girls had a very hard fought season, and as Coach Speros said, "We played better during the Seaview League than we did all year."

All players made it to the second round of the Seaview League tourney. Outstanding performances were turned in by Chanda Greer, who went to the third round of the singles matches and finally lost 6-1, 6-2 to Mullally, who went on to win the tournament.

Another outstanding performance was the third seeded team of Tani Abe and Ingrid Carlson, who went to the semifinals, but lost 6-1,6-1 to the number two seed from Edison.

The overall team performance on the year, was a fourth place spot in the standings. "With a little more determination we could have done better, but next year promises to be a winning year for us." Coach Speros said.

Potential

The Uni Girls' Tennis Team played a great year this year, and they show much hope for the future.

Three team members were noted with awards this year, they were: Kathy MacNaughton for MVP, Staci MacKenzie for most improved, and Kris Huynh for most inspirational. Coach Speros said this about her J/V team, "They're the first ones on the courts, and the last ones off, that's why I love them."

"The J/V team is very serious about their game, and they don't play around." said Coach Speros. As the players see it, they have great potential to improve their record next year.

The F/S team was "Intense" as Coach Van Vermeulen said. "They're a core of well conditioned and well disciplined athletes." We all see great hopes for them next year.

What they showed the coaches this year was an incredible ability to communicate on the court as well as off. When you watched them play you saw their intense emotion and comradery. If you went to any of their matches this year you saw the incredible intensity behind each shot. The Frosh/Soph team really showed us that they have what it takes, and they will be the team to watch in the future.

The Varsity boys' cross-country team worked extremely hard this season and tied Newport Harbor for 3rd place in the Sea View League finals held at Irvine Regional Park. At this meet each of the varsity runners improved on their own personal records. Team captain Paul Ishimine finished the three mile course in 15 minutes 27 seconds, and he was followed by David Uri who finished in 15 minutes 43 seconds. The Trojans finished the season in 4th place with an overall record of four and one. Despite the 4th place finish, however, Paul Ishimine belives that "our record doesn't show how good of a team we really are . . . if we had been placed in any other league we would have gone to CIF."

This year's varsity team was led by key runners Paul Ishimine, David Uri, and Erin Vali — all of whom provided "consistant performance" throughout the entire season. Everyone agreed that the meets were challenging and exciting, and that it was frustrating when they lost to both Estancia and Tustin by a single point. Even though the runners received a lot of pressure from opposing schools, coaches Janice Rolfing and Dan Wroblicky are proud of the fact that the Trojans never lost their spirit and enthusiasm. In fact, Coach Wroblicky emphasized that "for a team to win, everyone has to run well . . ." This year everyone did just that!"

"As a team we work very well together," described Ed Maier, either by pulling each other along during a race, or by cheering for our teammates in other races." It is this winning attitude, a high sense of camaraderie, and exceptional performance that brought the varsity team successfully through a competitive season.

Hard Work

Like the varsity team, the JV boys' cross-country team also worked very hard this year. Their efforts payed off with a successful season and an overall record of three and two. Paced by key runner Michael Wardner, the JV team finished the Sea View League finals in fourth place. Throughout the season the runners put a lot of time into practice, and then ran very competitively in their meets. As a result, both coaches Rolfing and Wroblicky are optimistic about the JV's potential as a strong contender in the league next year.

Everyone agrees that the sophomore team is the ONE TO WATCH! This talented team boasts an outstanding record of four and one, losing only their last league meet to an undefeated Saddleback. Thanks to the efforts of key runners Steve Dale, Rob Park, Peter Yi and Terry Lee, the sophomore team finished the season in second place. Coaches Rolfing and Wroblicky expect to see great results from these guys in the next two years. Even runners from varsity level predict that the sophomore team "could be a serious contender for league championships." Sophomore Terry Lee commented that his team is exceptionally good this year, and will continue to be in following years because "everyone has committed themselves to being the best."

This year's freshman cross-country team also had a rewarding season. They worked and practiced with the other teams, and continually helped to gain ground for UHS cross-country. As the inexperience of these first year runners developed into a motivation to improve and excell, they gained experience, strength, and courage — all of which are needed to compete successfully in a tough league. The freshman team's overall standing for the season is one and four.

One of the most astounding victories of the season was performed in front of a standing-room-only crowd in the UHS gym on January 30. The Trojans defeated the Tustin Tillers 82-78 placing them in a tie for 2nd place with Corona Del Mar and Tustin and one game behind 1st place Estancia.

During the game against the Tillers, UHS scored ten consecutive points to tie the score at 57 early in the fourth quarter. Seniors Olin and Stolzoff both scored 9 points in the fourth quarter helping the Trojans obtain one of the most important victories of the season.

Midseason, The JV team, coached by Rainer Wulf and Jerome Lee was 1st in Sea View League and was undefeated.

The game against the Tustin Tillers required double overtime for victory. "That game made us believe in ourselves" said Guard Kurt Meyers.

"This team has the skill and determination to go all the way" said Coach Wulf. "This is our year" he added.

While the JV team blew away the competition, the Sophomore team held its own. With a strong record midseasonal Coach Jim Serven was optimistic and pleased with his players performances. "Alex Williamson is a great rebounder and a strong inside player with a lot of skill" Serven said. He later praised Eric Glassen for his "excellent shooting."

The Freshman A's also did very well in league this year. With an almost perfect record, Coach Bob Bernal was happy with the results, "this is one of the best freshman teams we've had" said Bernal. He commended Chris Chase for his "leading rebounds," David Chickering for being the "leading scorer," Bryan Smith for his "assists and steals" and a special commendation to the team captain Nate Green.

The Freshman B's, coached by Eric Blake has done an excellent job in their independent league. Midseason, the team was 9-8 overall and had won five in a row. The coach complimented Marcus Fuson, Tom Shih and Jack Martin. He claimed they were "strong forces and led the scoring as well as the team."

Hard Work Pays Off

The 1986-87 Girls' Varsity basketball team had a very impressive season. The team played great in defense and showed some great action even in final seconds of games. Although the Varsity team has been plagued with injuries, each of the girls worked hard to make the team a contender for the CIF playoffs. Under the direction of Coach Doug Sorey, the girls team has really improved. He set high goals for the girls and is impressed with the progress they've made this season. The top players this year are Sr. Katie Ho, So. Shelley Davis, and So. Michele Cummings. Katie, the team captain, plays the guard position. Coach Sorey admires her for holding the team together and for playing so well, even though she was out last season with a bad knee injury. Both Shelley and Michele contributed to the team with their shooting ability, and their excellent ability to handle the court. The entire Varsity team, however was very unified, motivated, and dedicated to basketball.

This season also went well for the Uni JV baseball team. The girls, with the help of Coach Monroe, were very disciplined and worked great together as a unit. Each of the players practiced hard and put in a lot of effort to help improve both themselves and their team as a whole. Key players on the JV level are Fr. Denise Gondara, Fr. Parisa Zarbafian and Jr. Monica Bredemann. Coach Sorey pointed out that most of the JV girls were young and inexperienced. But, by the time these girls start moving up to the Varsity level, he says that they will have gained the experience and confidence needed for a successful Varsity level. The UHS girls' basketball teams are definitely back on the winning track.

Confidence

The Uni Boys' Soccer Team had a rather disappointing season this year, but a very exciting one too. According to the Varsity Coach, the most memorable game this year was at the Irvine Tournament. "It was the second game, and our team was a little overconfident at the start because everyone thought that Laguna had a weak team. Also, the previous day we played extremely well against Estancia. Laguna scored first in about the first twenty minutes. During the second half, Laguna scored again to make it two to nothing with about fifteen minutes to play. The last fifteen minutes we really turned it on, and tied the score with about three minutes remaining. When the regulation time had ended we had a score of two to two, so we went into the best of five penalty shots to see who would win. We managed to score five, while they only managed three. That making the final score Uni-6, Laguna Beach-5." The coach thought that the teams strong points were that all of the eleven players that started had well rounded skills. The coach thought that if everyone on the field could concentrate on each individual skill, then they could be a better team.

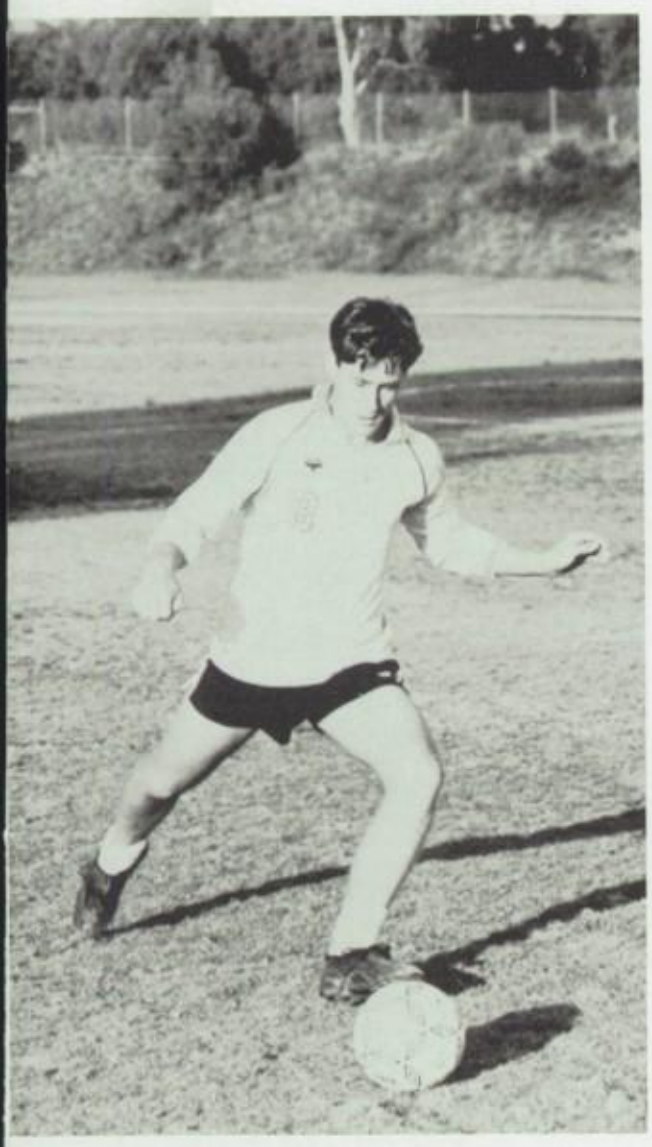
Improvement



This is called the toe tap.

The boys' J.V. and Frosh/Soph Soccer Teams definately working very hard to put together a winning season. With determination and hard work this season under such influential team members as Robbie Park and under the supreme direction of J.V. coach Dirk Krauss. The team worked together with one goal in mind, to move the ball for each other and concentrate during games. Their team unity was a major factor the success of the team. Krauss' expertise in soccer gave the team the knowledge it needed to improve and develop into Varsity material for the years to come.

The Frosh/Soph team coach tried to unify the team this year as his number one goal. He stated that although there were a few exceptional players there were many players that he could not have done without throughout the season. Instead of playing as individuals the team together, direct them in playing, and to give them the experienced they lacked. The team had many players and therefore no one could play as much as they would have liked to, however, the season gave them the experience they needed to succeed in the future years.

The Staff of Life

Who will ever forget the staff of life? Or that rainy (what an understatement!) game where everyone nearly froze to death without their new waterproof sweats; or the Tustin (football) Tillers (especially #24); or at Joey's baby shower when everyone's legs were sweating from trying to keep their legs uncrossed; or at those practices when everyone looked anxious as Joey ran the quick shooting drills herself — while she was eight and a half months pregnant?! The 1987 Varsity season has been filled with memories, friendships, and togetherness! As Junior Robin Clark said, "Whether on or off the field, there is always a word of encouragement from any given teammate. We're a team — a family that works together." This togetherness added to the athletic talent and winning attitude of the girls made for a winning combination. Those runs to U.P. and four extra diagnols also made a difference in the end! Underclassmen followed the excellent example of this year's senior class under the leadership of second year captain, all Leaguer Erica Hoegh, four year Varsity Letterman Julie Pitchess, and all CIF goalie Michelle McIntyre. Other senior leaders included three year Varsity midfielder Cathie Simpson and second year forward Jill White. The awesome junior class, playing together now for three years, provided strong talent and depth as seen in team MVP's and all Leaguers forward Katie Spencer and defender Stephanie Watson and Co-Captain Ingrid Carlson. Sophomores Sarah Metz and Julie Simpson also provided great skill and movement. No one on the team, however, can look back on their season without remembering the dedication, intensity, and caring of their coach, Joey Knox. No game would be complete without her personal notecards — "Stick 'em!, Smoke them!, and Lips." Her years of experience as a coach and player as well as her drive to win brought out the best in her talented players. As Junior Katie Spencer said, "She is what makes or breaks our team," and as Junior Ingrid Carlson added, "While she is a great coach, she is an even greater friend." With great players and an even greater coach, the Varsity team finished with a winning season. As Joey often said, "You make your own luck.", and that is exactly what the girls did!

Potential

The 1986-87 Junior Varsity team came out on top this season! With a positive attitude, enthusiasm, and determination, they overcame their "newness" as players and gelled into a competitive soccer team. As coaches Suzzane Voight and Annie Salness noted, "Although this year's Junior Varsity team is young and inexperienced, they have the willingness and determination to develop into strong soccer players in the next few years." This year, the J.V. team worked hard keeping fit (with those fun runs to U.P.!), learning new skills, and developing a sense of togetherness. Although they were a very new team, the J.V. players gave their teammates emotional support from the very beginning. As Sophomore Tracy Cohodes said, "Everybody is willing to put all their effort towards the team. We're more like a family than a team." This togetherness provided for great soccer games as well as lasting memories whether it was clapping in rhythm on that last diagnol, painting t-shirts to show their soccer spirit, or drying their uniforms at a laundrymat after an early morning, rainy tournament game. Positive leadership as well as great play was provided by Freshman Kris Hanson, Sophomores Lela Jackson and Heather Greenwood, and Juniors Marisa Guymon, Jill Dennis, and Gillian Rianda. Supporting the girls as coaches and as friends were returning Coach Suzzane Voight and new Coach Annie Salness who contributed experience, support, and spirit. With the athletic talent to be one of the best and the determination to work hard to get there, University's J.V. team has much promise for the future.

Telesis: Progress Intelligently Planned

Uni's always on top.

"Mercy!"

The mutual respect between the coaches and athletes led the Trojan Wrestling team to an outstanding season. Senior Mark Bures remarked that, the coaches help the kids not only in wrestling, but in academics and personal conflicts, as well." Bures summed up his team's attitude as "telesis: progress intelligently planned." Head Coach Conlin showed his respect towards his wrestlers when he commented "Wrestlers are special kids; you've got to be hard nosed!"

While the Trojan wrestlers crushed many of their opponents in league games; they also made their mark in several tournaments. The Trojans placed second at the Upland 10-team tournament. Mark Bures and Matt Moulton placed first in their weight divisions. At the Estancia High Wrestling Tournament the Trojans competed against some of the toughest competitors in Orange County. The Trojans rose to the occasion for Tim Warady (fifth), Mark Bures (fifth) and Phil Gruber (fifth) took home medals. Other key players included Robbie Barious and George Greenshields.

The Trojans startled their biggest rival, Estancia by giving them a close match. Though the Trojans lost by five to last year's Sea View Champions, the team showed great effort and improvement.

The future is bright for the Trojan wrestlers because of their frosh-soph team. Conlin's freshmen took first place at the Coltan High Tournament. Conlin stated that this year proved to be very satisfying. "It was great to see the kids dedicate themselves and work hard and see them reap the benefits of their efforts.

Unity

This year the varsity field hockey team was dedicated and unified. Unity, however, was not enough to bring the team to victory. The team started their season by defeating Fountain Valley in a scrimmage, and then by placing third in the Santa Ana Valley Tournament. Their success was too good to last. The team, led by captains Cindy Aston, Megan Middleditch, and Chrysa Schlacter, was "strong-willed during the second half." The team unfortunately lost by penalty strokes in more than one game. The varsity team was also led by seniors Kate Sato, Anya Penney, Deborah Wax, Whitney Old, Melissa Gonzales, Marcella Seltzer, and Juniors Beth Fung, Julie Solvieff, and Lise Seiller. Coaches Pat Barr and Sally Baker felt the team was strong because it was made up of "reliable old players and strong new ones." The team members felt the teams strong point was their ability to learn to trust and work with one another. Whitney Old said the best thing about hockey was "having good friends that you can depend on — on and off the field."

Determined

The junior varsity team showed determination despite their lack of experience. The team was led by the dedicated efforts of Jennifer Aston, Molly Crowder, Lisa Huang, Lillian Garcia, and Dawn Ciauri. They worked hard throughout the season to gain experience for next year. The J.V. team was extremely unified and they gave the varsity team support during games. "We appreciate the support the J.V. gives us," said varsity player Cindy Aston. "They always cheer us on, even when we're behind." The time and effort the J.V. team put in was impressive beings many players didn't get excessive playing time. The J.V. team has good potential. Uni can look forward to a successful team in the future.

Experience

This year's varsity baseball team had big expectations for the 1987 season. With eight returning varsity players, the team was one of strength and experience. The team is strong because many of the players were on the undefeated JV team last year. Also, the returning varsity players have the experience they gained playing on last year's championship team. Key players include pitchers Toby Foreman and Darrell Sawicki, third baseman Brett Howard, outfielder Steven Conner, first baseman Casey Simpson, second baseman Steve Keer, and shortstop Dave Yamafuji.

Coach Steve Ruiz has contributed excessive amounts of time and effort to the Varsity team. Ruiz's dedication has inspired the players to always do their best. He is going to make this year great and the years to come even better.

Coach Ruiz is confident with his team. The playoffs are high on his list of goals. Ruiz feels the team has the ability to outplay their opponents. He says "They are starting to realize exactly how good of a team they can be, and they have a goal in sight."

Strength

The JV team has a hard act to follow. Last year the JV team was undefeated. However, Junior Eric Dahlin feels that this year the team can do just as well. The team has the dedication that is necessary for success. The JV team's strong points are hitting and fielding. The players have learned to work together to make their team the best. They have also developed as strong individual players. The JV players will be definite assets to next year's varsity team.

The Frosh/Soph team was also one of strength. The team has done well because it was is made up of many strong players. Key players include Aaron Butler, David Clark, Mark Miller, and Bryan Smith. The team was led by team captain Rick Gallagher. The team was also led by the excellent coaching of Mark Takkinen. Uni graduates Al Contrera and Craig Johnson also helped coach the team. The coaches' experience has helped the team to be dedicated. The team is strong in many areas. "The team is well-rounded," says Sophomore Paul Schwartz. Hard work has made the Frosh/Soph team a winning one.

Both the JV and Frosh/Soph teams have been hardworking and dedicated.

Building for the Future

The Trojan softball team had another great season. The team was led by its nine returning starters. Outstanding play from Captains Jennifer Frei and Erin Quon, Dianna Juengst, Tina Cooper, Michelle Bell, L'Amour Ponce, and Kim Feldsott helped the team to a successful season. Head coach Bob "Bernie" Bernal and Doug "what do we do now?" Sorey did a fantastic job in helping the girls to maintain strong stomach muscles, through continual sit-ups. "Thanks, you guys! . . . Kim, you're not MARY LOUUUU!! Alright, who put the slug in my glove? C'mon L'Amour-boggie for us! Escondido and Super Motel 7 — WOW!! O.K. , who wants keychains? Somebody get Teri a match! PLEAAASE!! The Varsity team had a great season filled with competitive play as well as lasting memories. The combination of great friendships and intense play made a winning team!

With a group of new and enthusiastic players, the J.V. team was off to a great start. Coach Roche summed up the season when he said, "The purpose of our season is to learn to compete. Improvement, commitment, and intensity are all part of building for the future. The purpose of any J.V. program is to build for the future, to prepare players for Varsity competition. This is what we intend to do, and with a little fun along the way, it looks like we will succeed." The J.V. team built to become a spirited, cohesive, competitive team — a great base for next year's Varsity team.

Improvement, committment, and intensity are all part of building for the future.

The challenging Sea View League remains one of the toughest leagues in the state but this years varsity team was ready. With six returning lettermen, the team will be hard to beat. "It used to be University was taken lightly," said Senior John Gaido, "but this year will be different. We will surprise a lot of teams with our height advantage and our quick attack."

The team has their sights set on the C.I.F. playoffs. The toughest match is against Corona Del Mar, ranked number one in Orange County." It will be easy because we don't like to lose!" said Junior Scott Leslie.

Coach Lad Salness has great confidence in his players, "We have a great group of athletes in the program. This factor and continued work will boost them from good to great volleyball players."

Coach Salness praised Senior Craig Allton for his outside hitting and Senior Jamie Kiskis for his superb setting, blocking and hitting and Junior Scott Leslie for his backrow performance and great hitting.

The team is progressing rapidly. Senior Lasse Glassen had six perfect spikes in his first game and Senior John Gaido returned to the court after a three month absence due to injury.

The JV and Frosh/Soph teams have some promising futures awaiting them in the Sea View League. Some of the best young talent has arrived at Uni and will be recognized beginning this year.

In the JV teams practice game against Irvine, the team narrowly missed victory when the score was 15-13 in the third. But the JV's hard work brought them back to the top. "They really put forth a great effort," said Coach Mark Mednick. "We'd like to achieve first or second in league and we have the ability to do it," he said.

Coach Mednick praised Keith Redpath for his strong setting and Jean-Paul Rimlinger for being a great middle blocker. Mednick also praised first year player Stefan Mumaw who is, "An exceptionally good hitter." Todd Labeaune was noted for his skillfull setting and Sang Lee was also noted as the "Best all-around player."

The Frosh/Soph team, coached by Ann Salness, has a great amount of talent. They began their season well and continued to improve steadily.

The Frosh/Soph team praised Coach Salness saying, "She is enthusiastic and hard working and has been a great motivational force on our team."

"The ability is there!"
Coach Mark Mednick

Coach Salness sees promising futures for these Freshmen and Sophmores and feels they will become some of the finest athletes University has ever seen.

Frosh/Soph players, Chris Burns, Darren Sherman and Chris Chase were strong forces on the team. The entire team was praised for it's talent and skill.

Life in the Fast Lane

If by chance you get to school one morning at 6:30 AM, you will most definitely see a group of hardworking and dedicated swimmers either hitting the weight room or jumping into a cool swimming pool to start the morning's workout.

Perhaps this may seem a bit insane, but these individuals work hard, play hard, and have a lot of fun in the pool. This year, the top swimmers were driven by one thing — that is an insatiable desire to be the best.

Key swimmers and CIF hopefuls are Jens Metze, Shawn Duffy, Mark Herman, Aric Gregson, and Kevin Major. Coach Chuck Morris, the Messiah of modern day swimming, expects University to dominate the Sea View league. These are the swimmers to do it; "they all work hard and know what is expected of them."

The team also boasts many solid swimmers at the lower ranks. The junior varsity and frosh-soph teams work together well, and are characterized by "total team effort." Coach Matt Campbell is "amazed at the improvement and progress made by these swimmers." He believes the younger kids are the backbone of the team. Outstanding junior varsity and frosh-soph swimmers are Steve Paul, Mike Morrell, and Graham Whitted.

"There isn't too much competition among team members. Everyone tries to achieve personal bests."

Charlie Sciammas

Of course, most swimmers are out there to achieve their personal best. Coaches Morris, Campbell, and assistant coaches can't stress enough how the importance of being the best you can be "tops beating out everyone else."

Another season has come and gone, leaving a very unified and enthusiastic group of swimmers at the starting blocks. It is now 2:00, and if you by chance take a stroll by the swimming pool, you can hear a rumble of spashing in the water.

University swimming is definitely "life in the fast lane."

Sea View League's Superpower

As last year's defending Sea View Champions, the girls' swim team is prepared to carry out their winning tradition. Uni girls demonstrated their incredible talent at the Irvine Tri-Meet which opened their season. The wonderful rainy meet did not dampen their spirits. Uni girls captureed first places in all the events except two. Overall, Uni girls took second place to Irvine by only seven in points. Coach Morris is confident that Uni will be very competitive in the Sea View league and will once again capture the Sea View title.

What makes the Uni swimmers such a super-power in their league? Coach Morris remarked that the "team's unity and dedication have made these girls the best." With morning swimming and weight workouts, along with their daily afternoon workouts, the team has a lot of hard work and time. The yardage these girls swim certainly adds up with over six thousand yards a day. The Trojan girls are unbeatable. The team's success reflects many of the personal bests the girls have obtained. Cindy Dickson stated, "It is fun working together while always working to improve myself."

The tri-captains — junior Lauren Royce, senior Deborah Conabee, senior Cindy Dickson — serve as leaders for the team. However, Uni's overall depth is their strength. This season will have a great many swimmers competing at CIF. These swimmers include: Signey Peck, Ingrid Carlson, Karen Meyerowitz, Deborah Conabee, Lauren Royce, Shannon Fallon, Lauren Alpert, and Heidi Shetter.

"The team's unity and dedication have made these girls the best."

Coach Morris

The Frosh-Soph and Junior Varsity girls are also looking forward to a successful season. These girls have tremendous potential and are improving quickly. With the countless laps they have swum, they are assured a great season.

Built to Shred

The Varsity Boys' Tennis Team has had a really great year this year with the help of returning starters Carsten Hoffman, Peter Bohan, and Randy Ermert. These players have contributed very very much to the teams performance during their years at UNI. As they finish their last season playing for Coach Gary Sisel, they will fondly remember the good times shared by all.

The Varsity team has just recently recruited some excellent new young blood to add to their success. Carlos Bustos who has competed in some prestigious tournaments has joined the Varsity squad, and Steve Lappin, a returning Sophomore, will continue to play for the UNI team.

Having known Coach Gary Sisel for a long time, I would like to commend him for putting together a really great team year after year. The players give themselves to him, and he molds them into what finally becomes a winning team. With help from assistant Coach Mike Bova, they always seem to come up with a great team. This combination of coaches is what really makes up a team. As long as their is talent out there willing to learn, Coach Gary Sisel can turn them into great players. I should hope that they stay at UNI for many years to come.

As they finish their last season at UNI, they will have fond memories of the good times shared by all.

The Junior Varsity and Frosh-Soph teams also have had successful seasons. They worked hard to defend their titles and continually overpowered their opponents. Under the awesome direction of Mike Bova, they learned many valuable skills. The Junior Varsity Team was lead by Aaron Bartz, Richard Stillwagon, and Eric Carlson. Other keyplayers included Hiro Shenozaki, Jeff Lee, Bob Hsin, Jason Gallardi, and Brad Smith.

The Frosh-Soph Team also had a great season. They learned that they not only needed the skill, but the attitude as well. They learned about how a team works, and in the future years, they will probably become members of the Varsity squad. The key players for this year's Frosh-Soph team were Dave German, Rob Pannetti, Pat Cox, and Duck Nguyen.

Willing to Work Hard

The Boys' Varsity and Frosh-Soph track teams began the 1986-87 season with enthusiasm and a great sense of unity. The hard work that most of the runners put into the work outs, and the dedication that the members had to their sport were reflected in the team's overall record for the season. Coach Dan Wroblicky is happy with the number of students who came out for track this year, and says that both the Varsity and Frosh-Soph teams are made up of a "melting-pot" of athletes from other sports. Coaches Wroblicky, Conlin, Scoggin, Hernandez, and Baker all helped to mold and train these hard-working track members.

Continuing to be strong in sprinting, the Varsity sprinters were led by Craig Belle in the 100 and 200 meter dashes. Michael Wardner brought in good results for the 880 while John Weaver excelled in the 440 and intermediate hurdles. Uni's distance squad was led by Seniors David Uri, Paul Ishimine, and Ed Maier — all of whom are the team's fastest milers. In the two-mile event, Erin Vali and Larry Tsai usually recorded the best times. In the field events, George Hsin and Chi Mao were UHS's strongest contenders in the triple-jump. And, Mark Caposino had another great season with the high jump in the same way that Grant Sherman continued to do well in the pole vault. The leading throwers this year were John Baick, Vaught, and Marco Rogan — all of whom throw the shot. In the mile relay, Steve Fromme ran a very strong leg along with John Weaver and Hans Lin.

Coach Wroblicky expects a great future from this year's Frosh-Soph team. Jim Roberson ran the 100 yard dash for Uni and Tommy Lee ran a fast 880. In the two-mile event, Park and Dale were the top runners. Leading the Frosh-Soph team in the field competition were long jumpers Scott Lasensky, Mitsu Omaru, and Andy Fisher. The team was also strong in pole vault events because of the excellent performances of Josh Herndon and Nathan Bateman and Brian Zieler.

The Coach says that both levels worked extremely hard this year and deserve all of the credit they are due. He feels that the team as a whole is strongest in sprints, distance, triple jump and high jump. There are individual people who did very well in their particular events, but the team usually lost points at meets because of their lack of "depth." Losing key Seniors will probably hurt the team next year, but Coach Wroblicky is very confident about the future. He thinks that the next season will good because of the number of excellent frosh-soph members moving up to the Varsity level next year.

EXPERIENCE FROM DEDICATION

The 1986-87 Girls' J.V. and Varsity track teams had a very good year. Many of the girls on both levels were young, but yet at the same time, strong runners. Coach Dan Wroblicky says that the girls got in great shape, had a lot of fun (even though it was hard work!), and gained experience essential for next year's season. He also pointed out that he sees a lot of up and coming potential in both the J.V. and Varsity teams.

Nancy Armentrout, number one Trojan in distance, led the Varsity team in the two-mile. Beth Fung, Tiffany Harbour and Jenny Kengsoontra, all conditioned runners, were very strong in the mile, where as Krista Kline excelled in the 220 and Birgit Haissig did great in the 880. In field events, Michelle McIntyre, Erika Winfield, and Kim Jensen showed their talent in the high jump. Barbara Ryan did her best work in the long jump event, and Carla Recher and Winfield are the strongest discus throwers.

The Junior Varsity level's season also highlighted many runners who will most likely be key members of next year's Varsity team. Heather Anderson and Kelly Kitttagawa competed successfully in the 100 yard dash, while Lawyer and Gianna Bartholomew did best in the 200 yard dash. Sandy Oak, Susan Javajeri and Arwen Lawrence were strongest in the 880, and Carole Griffen was the key leg in the girls mile relay. The J.V. team also had some strong competitors in the field events. Lisa Vail led the team in the long jump event as Anderson did in the high jump event. Alee Leiter performed well in the discus.

> **. . . these girls are good, hard workers.**
>
> **Coach Wroblicky**

Overall, Coach Wroblicky feels that both levels' strengths lie in the field and distance events. It's too bad that the Varsity team will be losing some of its strongest Seniors this year. Many good people, however, will be moving up to an already improving Varsity team. The Coach feels confident that next year will be even more successful.

Uni Continues the Tradition

With some of the best players in the county, as well as two great coaches, the University golf team has upheld its reputation as a tough, competitive team to beat in the Sea View League. Competing in CIF playoffs since its early years at Uni, the team has continued to carry on University's great golf tradition. The team was off to a great start as its resource of talent included both skilled returning players as well as promising upcoming players. Added to this talent was the leadership, dedication, and training of Coach Cunningham and Coach Huff (alias Wilber) who pulled the players together and led the team to a winning season. Star golfers were numerous. Bob Jacobson, a returning junior to the team, won the League Individual title last year as a sophomore. Playing with a two handicapp, he won several junior tournaments during the summer, and qualifying as one of the premier golfers in Orange County, he served as an excellent attribute to the team as a player and leader. Another key player, Jeff Johnson, a returning senior, won the League individual title as a freshman. As Coach Cunningham commented, "Because of his strong talent, through the years, he has been the support and foundation of Uni's past golf teams. This year he served as a great leader and player and gave Bob Jacobson a run for the number one spot on the team." Other returning key players to the team included Sophomores Byung Park, Bill Kearney, Steve Faulke, and Treg Miller and Senior Carl Sims. As important players in competitive situations, these golfers battled for the number two to six spots on the team. Augmenting this strong, talented base were several promising new players. Freshmen Cody Schiamara, David Jacobson, and Megam Heidelbaugh (the first girl to compete on the team) all contributed their skill and talent and proved that they could and would uphold Uni's great reputation in the years to come. All of the golfers can look back on their season with a great sense of accomplishment. University will see much more of their great golf team as it continues its tradition of success.

Dedication and hard work all pay off in the end.

Coach Cunningham

A Year In SPORTS

Uni definitely has something to celebrate about. The sports teams at UHS have been unified and competitive. Many of the teams at UHS not only dominated the Sea View League, but went on to compete in CIF. The success of these teams gave the students at UHS a sense of pride. Though not all of the teams were number one in the league the team improved and learned to work together.

The athletes can attribute much of their success to the excellent coaching staff at University High School. The coaches took time to help their players improve as individuals as well as team members. The coaches taught the athletes about winning attitudes and sportsmanship. The coaches should be commended for the time and guidance they gave their teams.

The parents have also supported the Trojans. The Trojan Booster Club helped to raise money and support for the athletes.

Pride, spirit and unity make the athletics at UHS the best. The dedication of all the athletes at UHS has given the Trojans something to celebrate about.

The JV soccer team knows that UHS is the best.

FRESHMEN CELEBRATION

Being a Freshman is:

Having the honor of wearing a beanie

Riding a skateboard as your only transportation

Carrying the lunch your Mom packed

Putting on make-up to catch that Senior guy's attention

Not wearing shoes to be cool

Wearing shorts and a H20 Polo tee shirt to look like a stud.

(Top row) Kelley Kitagawa, (Second row) Kim Mitchell, Stacy Weaver, Henry Mays, Jack Martin, Julie Whang, Kenya Johnson, (Front row) Julie Goda, Angela Newhoff, Kelly Egan, Donald Tipping, Jill Woodworth.

Freshman Class Council

Even though we weren't sure about what to do for Spirit Day, we all worked hard on Wednesdays and weekends with the help of other freshmen. With our time, we made the dealine! To tell you about the personality of the Freshmen Class Council, I picked a few choice quotes. Well, here goes!!!

"Ooooh!!! This paint feels slippery on my feet!" — Kenya. "Do I need to take notes at the meetings, Kelley?!" — Jill. "You mean we're in debt already!?!" — Julie W. "Is this it?" — Henry. "Angela should draw the placard design!" — Julie G. "What did you just say, Julie?" — Angela. "Wait a moment! I'm confused . . ." — Kim. "Is it okay if I don't work on posters today? I have to go to the ortho's." — Kelly E. "Donald can't hear us. His Walkman's too loud!!!" — Jack. "Let's use the "Love Boat" theme!" — Julie G. "What should I write on my poster, you guys?" — Stacy. "That's sooo good, Kelly!" — Julie W. "Kelley, if you tell the council to work on posters tomorrow, no one will show up!" — Jack. "Now, what are we supposed to do for Spirit Day???" — Donald.

Thanks, everybody! You're the greatest!!! That includes you Mrs. Bowler, and you too, Mr. Ruiz!!!

IN MEMORY OF . . . Suzanna Young

Suzanna, of age sixteen, will be with all of us forever. Her love of life overflowed to touch everything and everyone.

You, her friends and peers, now reflect that love, and Suzanna knows this. So, as she has related to us, we shall share with you . . .

Always go forward in times of difficulty. Look back only to remember.

Always do your best and take pride in yourself. YOU ARE IMPORTANT

Always be considerate of others and think of others only in a positive light.

Finally . . . remember Suzanna as smiling, laughing and reflecting the blue of Heaven and the Love of God from within her eyes.

Lydia and Merne Young

I Love You, Sister
Mark Young

I'll always love you . . .
My Special Guardian Angel.
Courtney Kline

Young
Suzanna Young
Someone who I considered special in m
life
And someone who I mourn the loss of
I can see you telling me all about
Suzanna
Young Suzanna.
I think you are coming back.
I miss you so much and all our good times
And yet I will never know you again
and never any better.
Rest free Suzanna
while the rest are broken-hearted.
You are not to blame.
No one is to blame.
But to think it could have been prevented.
This is where my pain is.
Suzanna.
May your soul rest
and then be happy in a new world.
If only you had not Suzanna.
If only you had not.
Suzanna.
Beautiful Young Suzanna.
And so very very young.
I will miss you so much. Every time I look
at the gold
bracelet you gave me for my birthday
will remember what
a caring and good friend you were. I loved
you my friend
so very very much.

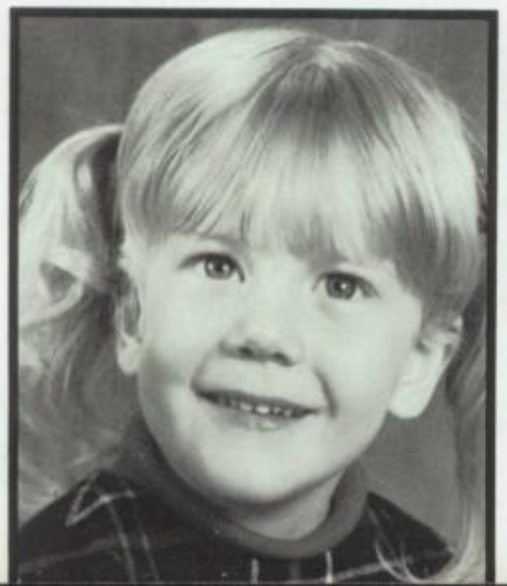
Love always and Friends Forever,
Veronica Gaither

Sometimes in the night, I begin to ponder
How it would've been if she stayed.
The girl I knew, the one I love
Has left and gone away.
Already we had done so much —
Could we be friends any better?
Like a mother with her child she led me,
In my times of trouble.
"Come this way, my dear Paul" she said
And I returned the favor.
But it was not me alone she cared for —
The others, all her friends,
Knew her for her heart, caring, love
And she helped them in their times of need,
And stayed by their side, expecting nothing in return —
but friendship.
Now she has left and gone away,
But she remains, in me, you, her friends.
Never will she truly leave.

I will love you forever,
Paul de Luna

Don't grieve for me, for now I'm free
I'm following the path god laid for me.
I took his hand when I heard him call,
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work, or play.
Tasks left undone must stay that way
I found that peace at close of day.
If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I've savored much,
Good friends, good times, a loved one's touch
Perhaps my time seemed all too brief,
Don't lengthen it now with undo grief.
Lift up your heart and share with me,
God wanted me now, he set me free.

From Laura De Noux,
With Love



In Memory of . . . Jesse Avalos

JESSE TOO FINE
HIS FACE WAS SOFT AND KIND,
A HAPPY GO LUCKY GUY
WHO JUST WANTED TO SHARE HIS JOY.

HE HAD SO MANY FRIENDS AND
HE NEVER WANTED THE PARTY
TO END.

HIS FAMILY HE DEARLY LOVED AS
HE DID THE LORD ABOVE, GONE HE
WILL NEVER BE, ONLY FOR US TO SEE

WHEN WE NEEDED HIM HE TRIED TO
BE THERE, THAT SHOWED US THAT HE
REALLY DID CARE

WE LOVE YOU!!

How many times did you wonder when the end of the school year would come? For most of us the year went by faster that we thought possible. After Winter Break and 1st semester finals, the students of UHS settled down for their last semester until the summer. Sometimes, the thought of summer was the only thing that kept students in school, and sometimes out of school. The hot sun, that indicated another California summer ahead, became an opponent to many teachers lessons.

However, the students of UHS did not let even the nicest weather get in the way of their studies. With 13 National Merit Semi-Finalists, 12 National Merit Finalists, the 200 members of California Scholarship Federation, and the award winning Academic Decathlon team, the students of UHS showed themselves and the community that they could achieve anything set before them. The tradition of excellence set by the students and faculty of University High will continue on into the future.

UNI has led us through our adolescent years with patience during our complaints, compassion during our hard times, and love during our spirited months. We have finally struggled through a year we thought would never end, and in a few months we will be wondering how it could have gone by so fast. Some of us are celebrating the end of our education, and others are celebrating the end of the first step. We are through the hardest part, but our years at Uni were more than just an education. We will never forget the friends we made here and the good times we shared. The pep assemblies, dances, football games, basketball games and lunchtime activities have provided us with memories we will cherish forever. *Thank you Uni; we are not celebrating leaving you, we are celebrating what you gave us.*

I'm at the wrong end
of the looking glass,
Trying to hold on to the
hands of the past and
you, but there's nothing
left to bring me back . . .
